Proceedings of the Madras Government, Revenue Department,
17th October 1870.

No. 155. Read the following Proceedings of the Board of Revenue, dated 27th September 1870, No. 5,882:—

Read the following letter from the Acting Collector of Ganjam, to the Acting Secretary to the Board of Revenue, dated Chetterpore, 13th August 1870, No. 1,113.

ADVERTING to paragraph 4 of the Board's order, and paragraph 2 of my No. 694 of the 2nd June, ultimo, contained in their Proceedings, No. 4,766, of 9th July 1870, I have the honour to forward, duly countersigned, plans and estimates, as detailed in the margin, for a road across the swamp between the trunk road near Itchapore and the Soorla Salt-pans. It should be decided whether this road is to be constructed from Local or Imperial Funds. The road will greatly facilitate communication from the trunk road with the Soorla or Itchapore Salt-pans, and will complete the line now under construction from these pans to Aska *via* Cheghutty and Deegoopoody.

ENCLOSURE No. 5.—Specification Report.

ENCLOSURE No. 6.—Statement.

WITH reference to paragraph 4 of the Board's Proceedings to Government, dated 9th July 1870, No. 4,766, the Acting Collector submits plans and estimates, amounting in the aggregate to Rupees 26,030, for the construction of a road across the swamp between the trunk road near Itchapore and the Soorla Salt-pans, and for the construction of bridges and tunnels on the same.

		RS.
Construction of the road ...		21,528
3 Bridges	1,500	
15 Tunnels	3,002	
		4,502
		26,030

2. The road in question is Imperial, being the first in the list of the Salt-roads appended to paragraph 9 of the Government Order, dated 11th November 1868, No. 2,831.

3. The Collector reports that this road will greatly facilitate communication from the trunk road with the Soorla or Itchapore Salt-pans, that it will complete the line now under construction from these pans to Aska; that the Salt-sales in Fasli 1279 amounted nearly to three lacs of Rupees, and that this will increase, if this road be made, and repay the cost of the work within a few years.

4. The construction of this road was once before proposed by the Honourable G. S. Forbes in 1866.

5. With these remarks, the present estimates and plans will be submitted to Government for sanction and for entry in the Imperial Public Works Budget of 1871-72.
