Proceedings of the Madras Government, Revenue Department,
17th October 1870.

No. 165. Proceedings of the Board of Revenue, dated 10th October 1870.

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 26th September 1870, No. 1,282.

With reference to the marginally noted correspondence, I have the honour to request that the Board of Revenue will be pleased to ascertain and inform me whether the 100 tons of Laccadive Coir, which the Bengal Government said they would probably require during the year 1871-72, may now be shipped to Calcutta, and also whether they will require an additional supply to be sent by the same opportunity.

To Board, 16th December 1869, No. 1,598.
Board's Proceedings, 7th January 1870, No. 126.
Government Order, 3rd March 1870, No. 307, Revenue Department.

2. I have now in store 178 tons of Coir, and expect to receive about 150 more from the islands by the end of February or March next.

From Government Order, 5th October 1870, No. 1,508, the Collector will have seen that 100 tons of Coir should be sent to Calcutta at once.

Government will be requested to ascertain whether any more Coir is required by the Government of Bengal at present.
