Proceedings of the Madras Government, Revenue Department, 19th October 1870.

No. 202. Read the following endorsement of the Chief Secretary to Government, Fort Saint George, dated 25th August 1870 :—

Read the following letter from the Acting Resident in Travancore and Cochin, to the Chief Secretary to Government, Fort Saint George, dated Trevandrum, 10th August 1870, No. 62.

I HAVE the honour to forward copy of a letter,* received from the Collector of Malabar, with reference to a few scattered gardens, the property of Government, mixed up in the Travancore territory.

* No. 2,293, dated 6th instant.

2. The fact of these spots not being amenable to the authority of the Travancore Sirkar affords peculiar facilities for smuggling, and it will be observed that Mr. Macgregor thinks that no interference on the part of Travancore is advisable, pending the settlement of the question of these and other lands at Anjengo and Tangacherry being made over to the Sirkar.

3. It will be a very great convenience to this State, if the Government will be pleased to pass speedy orders for the transfer of the lands alluded to by Mr. Macgregor.

ENCLOSURE No. 1.

From the Collector of Malabar, to the Acting Resident in Travancore and Cochin, dated Calicut 6th August 1870, No. 2,293.

WITH reference to your letters noted in the margin, I have the honour to state that the four patoms situated in Travancore appear to have been taken possession of along with Cochin and Tangacherry by the British Government from the Dutch, and that the British Government have always exercised sovereign rights in them, and have not been simply in the position of a proprietor. The records of this office throw very little light on the history of these spots, and, as far as my present inquiries go, there seems no objection to the Travancore Sirkar making such fiscal arrangements in the patoms in question as to them may appear necessary for the protection of their revenues drawn from the surrounding territories belonging to them, provided those arrangements do not interfere with the revenue collected by the British Government, or any rights at present exercised by them, or with the rights of British subjects.

Dated 10th March 1870, No. 242.
" 18th May " " 401.

2. As, however, there is every likelihood of these lands being permanently transferred to the Sirkar very shortly with Angengo and Tangacherry, I would suggest that matters be, for the present, left in *statu quo* pending the final orders of Government on the subject of the transfer.
