No. 1,620.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

FINANCIAL DEPARTMENT.

Miscellaneous.

Letter, dated 31st January 1870, No. 783.

SIR,—This Government in their Chief Secretary's letter, dated 30th June 1870, No. 971, requested that the restriction, embodied in the recent ruling of the Government of India, to the effect that

"as in the case of employment in the Settlement Department, service on the establishments of the Inam Commissioner may be allowed to count for pension, if it is followed without a break by enrolment on a permanent establishment," might be withdrawn in so far as it affected the employes of the Inam Commission. To this request the Government of India have since acceded.

2. I am now directed to submit a similar request on behalf of the officials of the Settlement and Survey Departments.

3. The Government of India are aware of the responsible duties which devolve on even the subordinates of the departments in question, and, apart from this consideration, the Government of Madras is distinctly pledged to a declaration that service in the Settlement and Survey Departments is to be considered as entitling to pension. The marginally

noted enclosures show that on the representation of the then Director of Revenue Settlement, that the efficiency of his department would be seriously impaired, unless the Pension Rules were extended to it, the Government of the day, attaching weight to his argument, and being further of opinion that the departments of Revenue Settlement and Survey could not be considered as temporary establishments, directed "that the servants of these departments should be considered eligible to pension under the same rules that apply to all other departments."

4. I am therefore directed by His Excellency the Governor in Council to request that, in consideration of the importance of the work entrusted to the departments of Revenue Settlement and Survey, the length of time which must elapse before their operations can be concluded, and the assurance of Government when their establishments were raised, service in them may be regarded in all respects as service on a permanent establishment.

I have the honour to be,

Sir,

Your most obedient Servant.

the lifetime of the present
employes, or on the plea
that it is desirable
