IN reply to official memorandum, No. 140, of August 10th, 1870, I have the honour to state that the Financial Statement required, concerning the Alkaloid Manufactory, was forwarded to you early in the current official year, accompanying an annual report. I now enclose copy of same statement.

No. 253. From the Government Quinologist, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 15th October 1870.

IN reply to your official memorandum, No. 164, of 12th October 1870, I beg to state that as the medical reports corroborate my own convictions that the amorphous quinine is equivalent in medical effect, weight for weight, to ordinary quinine sulphate. I have estimated its value at the same as the latter substance in this country, or Rupees 36 per pound.

2. I accordingly return the statement with an entry to this effect.
