Proceedings of the Madras Government, Revenue Department,
25th October 1870.

Read the following letters:—

No. 264. From the Government Quinologist, to the Acting Secretary to Government, Revenue Department, dated Ootacamund, 16th September 1870.

I AM informed by the Medical Inspector-General that he has received several binocular microscopes for the use of the Medical Service; I have the honour to request that I may be supplied with one of those. I possess at present only a uniocular, which I should be glad to devote to chemical purpose only, reserving the binocular for histological work.

REFERRED to the Inspector-General, Indian Medical Department, for report as to whether a binocular microscope may be made available for the use of the Government Quinologist from the supply stated to have been received for the use of the Medical Department, and what is the cost of one of these instruments.

OOTACAMUND, (Signed) R. A. DALYELL,
21*st September* 1870. *Acting Secretary to Government.*

No. 265. From the Inspector-General, Indian Medical Department, to the Acting Secretary to Government, Revenue Department, dated Fort Saint George, 14th October 1870, No. 248.

I HAVE the honour, with reference to your docket memorandum of the 21st September, giving cover to the letter named in the margin, to state that a binocular microscope can be spared for the use of the Government Quinologist, and that the price of the instrument, including the usual charges, is Rupees 202-8-0.

Letter, dated 16th September, from the Government Quinologist, to the Acting Secretary to Government, Revenue Department.

No. 266. ORDER THEREON, 25th October 1870, No. 1,629.

Miscellaneous.

COMMUNICATED to the Government Quinologist, who will obtain the binocular microscope from the Principal Inspector-General, Indian Medical Department. No cash payment is necessary, but the adjustment of its value will be made in the usual course.
