*Proceedings of the Madras Government, Revenue Department,
25th October 1870.*

No. 277. Read the following Proceedings of the Board of Revenue, dated 19th October 1870:—

Read the following letter from the Officiating Collector of Vizagapatam, to the Acting Secretary to the Board of Revenue, dated Vizagapatam, 19th September 1870, No. 703-2.

I HAVE the honour to forward herewith the Local Fund Budget for 1871-72, and to inform you that Parts I. and II. have been sent to the Superintending Engineer who will submit the same with his counter-signature together with the District Map.

2. The Jungle Conservancy Budget will be submitted as soon as certain information called for from Mr. Mackie is received.

PARTS I. and II. of the District Road Fund Budget for 1871-72 are submitted for the sanction of Government, with reference to paragraph 1 of their Order, dated the 16th March 1869, No. 711.

2. Part I. contains four works, with an aggregate allotment of Rupees 55,530, and a provision of 1,000 for "Miscellaneous Public Improvements."

3. All these works are sanctioned, and brought forward from the Budget of the current official year, and they are to be finished in 1871-72.

4. Part II. comprises eight repair-works, with an allotment of Rupees 21,240, also a provision of Rupees 500 on account of petty repairs. None of these works call for remark, except the fifth, which has a maintenance allowance of Rupees 200 for the first twelve miles. When reviewing the current year's Budget, the Board remarked that an allowance of 200 Rupees a-mile for the line was too much, and requested the Collector, in communication with the Superintending Engineer, to state if it could not be reduced to Rupees 100 or 125 a-mile. In paragraph 2 of his letter, dated 16th February 1870, No. 124, the Officiating Collector recommended that Rupees 200 a-mile should be allowed for the first twelve miles of the

road, because the traffic was very heavy and that Rupees 125 a-mile should be allowed for the remainder. This was accordingly sanctioned.*

*Vide paragraph 6 of the Board's Proceedings, dated 14th March 1870, No. 1,751.

5. In the abstract of receipts and charges the income of the year is estimated at Rupees 1,02,150, which has been fully appropriated for expenditure.

6. The cost of Public Works supervision is given as Rupees 7,728, instead of Rupees 7,830, calculated at ten per cent. on the total proposed expenditure of Rupees 78,270, but a reduced amount has been admitted in order as to keep the expenditure within the available assets.

7. No provision is made to meet the contingent charges of the Revenue Department, and no explanation is given for the omission. It is presumed that there is no occasion for making the allotment.

8. The Board remark that the Budget under review is in the old forms, which have been superseded by the revised ones sent to all Collectors for adoption, with the Board's Circular Memorandum of the 8th September 1869, No. 946.
