Not to be folded or roughly handled

1643

*Proceedings of the Madras Government, Revenue Department,
26th October 1870.*

No. 294. Read the following Proceedings of the Board of Revenue, dated 1st October 1870 :—

Read the following letter from the Collector of Kurnool, to the Acting Secretary to the Board of Revenue, dated 20th September 1870, No. 316.

I HAVE the honour to inform you in continuation of my letter, No. 284, dated 2nd September 1870, besides the breaches therein reported, that, in addition to the large breach south of the Hindry aqueduct, the following breaches have taken place in the canal :—

Limits.	Villages.	—	—
Between the 23rd and 24th miles.	Kadrabad	No. 1. In the bank ...	198 × 50 × 25 ft.
		" 2. Do. ...	153 × 35 × 40 ft.
		" 3. In masonry wall.	100 × 23 × 30 ft.
		" 4. In the bank ...	155 × 132 × 40 ft.
" the 24th and 25th "	Padathumpad	" 5. In the calingulah itself.	138 × 6 × 15 ft.
" the 26th and 27th "	Pudur	" 6. In the bank ...	132 × 37 × 25 ft.
" the 36th and 37th "	Allur	" 7. Do. ...	190 × 45 × 16 ft.

2. It is very probable that all the breaches at Kadrabad and Padathumpad, a hamlet of Rudravaram, were caused by the rush of water down the Gadidunadugu vagu (or jungle-stream) over which the canal passes. About eight and-a-half acres have been cut up and rendered unfit for cultivation by these breaches. The breach at Pudur has not damaged any culturable lands, while the water which flowed through the breach at Allur has rendered five and-a-half acres unfit for cultivation.

SUBMITTED for the information of Government, in continuation of Board's Proceedings, 12th September 1870, No. 5,692.

No. 295. ORDER THEREON, 26th October 1870, No. 1,643.

Miscellaneous.

ORDERED to be recorded.

(True Extract.)

(Signed) R. A. DALYELL,
Acting Secretary to Government.

To the Board of Revenue.
,, the Public Works Department.
