Proceedings of the Madras Government, Revenue Department, 27th October 1870.

No. 300. Read the following Proceedings of the Board of Revenue, dated 5th September 1870, No. 5,598:—

Read the following letter from the Collector of Cuddapah, to the Acting Secretary to the Board of Revenue, dated Kadiri, 16th August 1870, No. 142.

THE Deputy-Director of Revenue Settlement having requested me to obtain sanction for the transfer, from the taluq of Voilpad to that of Madanapally, of the village of Chowkallavaripally on the ground that it is entirely disconnected with the former taluq and surrounded by the villages in the latter, I have the honour to submit an illustrative sketch (to be returned), to append a report by the Acting Sub-Collector on the subject, to state that I concur with the Acting Sub-Collector that there is no valid objection to the transfer, and to request the Board's sanction thereto.

ENCLOSURE No. 1.

From the Acting Sub-Collector, to the Collector of Cuddapah, dated Madanapally, 12th August 1870, No. 266.

IN reply to your foot-note, dated July 25, 1870, on the letter of the Deputy-Director of Revenue Settlement, No. 1,065-178, herewith returned, I have the honour to state that I see no objection to transferring the village of Chowkallavaripally from the Voilpad to the Madanapally Taluq.

2. The reason that it was not so transferred at the same time as the villages of Mustoor, Tavalam, and Nimmanapally is, that it was then a Shrotriem village, and the Shrotriemdar did not wish its transfer. It is now a Government village.

3. The villagers themselves object on the ground that they are much nearer to the Cusbah Station of Voilpad than Madanapally, the latter being ten miles, and the former five miles distant. I do not think this is a valid objection if there is any advantage to be gained in transferring the village to Madanapally.

4. The villagers object very strongly to their village being clubbed with any other. As, however, this is not suggested in the letter of the Deputy-Director of Revenue Settlement, I conclude such a course is not contemplated, and will not notice their objections in this letter.
