Proceedings of the Madras Government, Revenue Department,
27th October 1870.

No. 302. Read the following Proceedings of the Board of Revenue, dated 10th September 1870, No. 5,673 :—

Read the following letter from the Acting Collector of North Arcot, to the Acting Secretary to the Board of Revenue, dated Chittoor, 22nd July 1870, No. 311.

I HAVE the honour to request that the accompanying Statement of arrears of Yeomiah allowance recommended for payment may be substituted for the one submitted from this Office, dated 15th instant, in which, by some oversight, the figures in the spaces left blank had not been filled up before despatch.

ENCLOSURE No. 1.—Statement.

SUBMITTED for the orders of Government.

2. In their Order, No. 148, of the 27th of January 1870, Government sanctioned the proposal to place the school under the control of the Sub-Collector for the time being. The Collector now submits his recommendations as to the disposal of the balance that has accrued to the credit of the institution since the payment of the allowance was suspended. He proposes to pay the Darogah simply what appears to be actually due to him by the accounts, and to invest the balance in Government Securities, the interest to be devoted to the purchase of books, writing materials, and clothing for the use of the orphans.

3. The Board approve of these proposals in the main, but are disposed to admit the Darogah's claim for feeding expenses during the whole time, (1st January 1868 to 30th June 1870,) as the school is reported to have been properly kept up. This, at Rupees 65-15-8 a-month for thirty months comes to Rupees 1,979-6-0, and makes the total amount payable to him Rupees 2,939-6-0, instead of Rupees 1,212-14-9, as proposed by the Collector, (Rupees 912 is a clerical error,) and leaves a balance of Rupees 240 only to be invested.

No. 303. ORDER THEREON, 27th October 1870, No. 1,647.

Miscellaneous.

THE Government do not consider that the Darogah, who, by his failure to maintain the stipulated number of orphans, has, strictly speaking, forfeited all claim to his allowance, should be allowed to become a gainer by the mismanagement which occasioned the temporary discontinuance of the Yeomiah. The Collector's report shows that no expenditure on food for the boys has been incurred since April 25, 1868.

2. The Government therefore resolve to adopt the recommendation of the Collector, and accordingly sanction the disbursement to the Darogah of Rupees 1,212-14-9. The balance of Rupees 1,966-7-3 should be invested in Government Securities, the interest or as much of it as may be required to be devoted to the purchase of books and writing materials for the use of the orphans.
