*Proceedings of the Madras Government, Revenue Department,
5th February 1870.*

No. 23. Read the following Proceedings of the Board of Revenue, dated 18th December 1869, No. 9,280:—

Read the following letter from the Officiating Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Vythry, 19th November 1869, No. 329.

With reference to Government Order,* dated 17th September 1869, No. 2,593,

* Covered by the Board's Proceedings, dated 21st September 1869.

I have the honour to report that copy of the Agreement of 1817 therein referred to is not to be found on the records of the Civil Court.

2. The Civil Judge, however, forwards copy of an old Decree (herein enclosed) in which the terms of the Agreement are mentioned. It does not appear from the Decree why a higher amount of Malikhana was to be paid to Ravi Vurmah Rajah; but the arrangements then made is expressly stated not to be of the nature of a division of family property, but an amicable provision for the expenses of the family. Should Government still see objection to the arrangement being cancelled and equal shares paid, I beg that I may be allowed to disburse the Malikhana as heretofore.

ENCLOSURE No. 1.—Copy of Decree.

SUBMITTED to Government, with reference to their Order, dated 17th September 1869, No. 2,593.

No. 24. ORDER THEREON, 5th February 1870, No. 165.

Miscellaneous.

THE Decree, a copy of which is forwarded by Mr. Webster, contains sufficient evidence of the nature of the origi-

nal apportionment of the Malikhana. The Officiating Collector is therefore authorized to pay the Malikhana of Rupees 2,993-12-0 henceforth in equal shares to Kerala Vurma Rajah and Kunhandi Rani, on the execution by them of an agreement setting forth their acquiescence in this arrangement.

I hope the draft

The decree, a copy
of which is forwarded by
Mr. Webster contains sufficient
evidence of the nature of
the original apportionment
of the Malikkhand. The
Offg. Collector is therefore
authorized to pay the

Malikkhand

I would abide by the decree -
if a copy is given - There
is nothing in the decree to show
that the larger share given to
Raoi Varma Raja was in the
possession of his father's larger
share of the expenses to meet on
that it was personal to him
it was the ground of the Board's
recommendation for an
equal division P.M.
