Proceedings of the Madras Government, Revenue Department, 19th November 1870.

Read the following:—

No. 264. Proceedings of the Board of Revenue, dated 5th April 1870, No. 2,282.

Read the following letter from R. F. CHISHOLM, Esq., Consulting Architect to Government, to the Acting Secretary to the Board of Revenue, dated Madras, 9th March 1870, No. 429.

I HAVE the honour to submit, for your inspection and approval, a design for the Deputy-Magistrate's Cutcherry proposed to be erected at Gudiattum in the North Arcot District.

2. The design is similar to one I have just prepared for a Head Assistant Collector at Arconum. The accommodation required in both Cutcherries being the same.

3. The probable cost will be Rupees 5,000.

4. I enclose the original design for comparison.

SUBMITTED to Government, with reference to their Orders, dated and numbered, respectively, 14th May, No. 1,353, and 12th June 1869, No. 1,679.

2. With the first of the above orders, Government referred the Board's recommendation, that a design for the Deputy-Collector's Cutcherry at Gudiattum be prepared by Mr. Chisholm, to the Public Works Department, and with the second, communicated the orders of that department, dated 27th May 1869, No. 1,721, conveying instructions to Mr. Chisholm to prepare a design.

3. The design now submitted appears to the Board quite satisfactory, and they recommend its adoption.

No. 265. Proceedings of the Board of Revenue, dated 18th May 1870.
Read Government Order, dated 18th March 1870, No. 370.

THE Board approve of Mr. Chisholm's design, and recommend that it be adopted.

2. They observe that, although Mr. Chisholm speaks of it as a Sub-Collector's Cutcherry in one letter, and as a Deputy-Collector's Cutcherry in another, he really prepared it for a Head Assistant Collector's Cutcherry. The room, which is called the Sheristadar's room in the plan, is of course meant for the Head Clerk.

No. 266. ORDER THEREON, 19th November 1870, No. 1,807.

Miscellaneous.

WITH the foregoing Proceedings the Board of Revenue submit two copies of a revised plan which has been prepared by the Government Architect, and which it is proposed to adopt for the Head Assistant's Office to be erected at Arconum, and for the Deputy-Collector's Office at Gudiattum in the same district.

Proceedings of the Madras Government, Revenue Department,
19th November 1870.

2. The Right Honourable the Governor in Council is of opinion that the plan is very well adapted for the purpose intended, and the Government Architect will be requested, through the Public Works Department, to prepare the necessary detailed drawings and estimates at his early convenience, in view to the cost of the two buildings being included in the outgoing Budget, should funds be found to be available.
