No. 61. Read the following letter from the Officiating First Assistant Resident at Hyderabad, Financial Department, to the Chief Secretary to Government, Fort Saint George, dated Hyderabad Residency, 16th December 1869, No. 886:—

I HAVE the honour, under instructions from the Resident, to forward for such notice as it may be deemed to deserve a petition* from Syed Kolander Saib, a political pensioner of your Government, at present residing at Hyderabad, with a copy of the correspondence that passed between this Office and the Comptroller-General of Accounts, Calcutta, on the subject of paying this individual's stipend.

* With enclosures.

No. 62. ORDER THEREON, 9th February 1870, No. 180.

Miscellaneous.

FROM the foregoing papers it appears that an excess payment of Rupees 3,160 has been made to civil pensioner Syed Kolander Saib by the authorities at Hyderabad owing to a misconception.

2. The pensioner in question, who was in receipt of Rupees 20 per mensem, resided and drew his stipend in Nellore up to 1855, at the close of which year, or at the commencement of 1856, he left for Hyderabad. He continued at Hyderabad until 1869, and during the whole of this period drew no allowance. The arrears which thus accumulated amounted to Rupees 3,160. In March 1869 the Collector of Nellore reported that Syed Kolander Saib had appeared before him and established his identity, and requested that sanction for the payment of the arrears of pension might be granted; but the Government in their Order, dated 9th June 1869, No. 1,627, expressly negatived the disbursement of arrears from 1855, on the ground that Syed Kolander Saib had not satisfactorily explained his long absence without leave. In a subsequent Order, dated 10th September 1869, No. 2,558, the Government directed that payment of arrears to him should commence from March 1869.

3. The question of allowing Syed Kolander Saib to draw his pension at Hyderabad had, previously to this, been before the Government who, in an Order, dated 21st May 1869, No. 160, requested the Accountant-General to send a *fresh permanent payable Order* direct to the Resident at Hyderabad, in accordance with the 24th paragraph of the Circular No. 1, issued by him on the 15th June 1865. The Collector of Nellore was in the same Order directed to furnish Syed Kolander Saib with a Certificate of last payment for presentation to the authorities at Hyderabad, and a letter bearing the same date as the Order was despatched to the Resident at Hyderabad, requesting him to cause the necessary arrangements to be made for the payment to Syed Kolander Saib of his monthly pension of Rupees 20 on the production by the latter of a Certificate of last payment from the Collector of Nellore.

4. It appears from letter, No. 3,596, dated the 29th October 1869, from the Comptroller-General of Accounts to the Accountant-General, Madras, that the Treasury Officer at Hyderabad overlooked the necessity of postponing payment of

the pension until he had received a fresh permanent payable Order. This irregularity has been noticed by the Comptroller-General of Accounts in his letter to the Extra Assistant Commissioner, Hyderabad, dated 7th September 1869, No. 2,830. On production of the Certificate of last payment which had been issued to Syed Kolander Saib by the Collector of Nellore at the close of 1855, or the commencement of 1856, the Treasury Officer at Hyderabad accepted it as the *datum* for determining the amount of pension to be disbursed and the unauthorized payment of the arrears alluded to above, viz., from January 1856 to February 1869 inclusive, has resulted.

5. From the correspondence forwarded by the Officiating First Assistant Resident with his letter, dated 16th December 1869, No. 886, the Government observe that Syed Kolander Saib has been already called upon to refund the excess payment made to him, and that, as he has failed to do so, payment of his stipend has been stopped. The Government consider that this stoppage should be continued during his life-time, or until the amount of the excess has been recovered. The following will therefore be despatched to the Resident at Hyderabad:—

(Here enter No. 181, dated 9th February 1870.)

6. The Collector of Nellore is requested to report whether, in accordance with the instructions conveyed in G. O., dated 21st May 1869, No. 160, he has issued a Certificate of last payment to Syed Kolander Saib. If, as appears to have been the case, the latter left Nellore before any payment could be made to him, this fact should have been reported to Government through the Board.

7. The Government approve of the suggestion contained in the concluding paragraph of the Comptroller-General's letter, dated 29th October 1869, No. 3,596, that, in future, arrangements relating to the transfer of pensions should be made through the medium of the Accountant-General.

8. A copy of these Proceedings will be submitted to the Government of India, in case they may deem it necessary to issue any general instructions on the subject.

Purport of a letter addressed to the Board of Revenue Commrs Hyderabad by Syed Rozendar dated 6th November 1869

The petitioner filing receipt of Rocket dated 5th August state, that on the receipt on the 20th October 1869 of the Genoa Board dated 16th October directing the refund of the 12 years arrears of pension paid to him and intimating that the Rs is to be no further payments of pension will be made, he petitioned the Government of Madras (Copy of petition attached) and begs that only until he receives a reply to this petition may the payment of this pension be stopped.

Purport of the Petition to the Madras Government dated 28th October 1869 alluded to in the above.

States that 12 years ago he had petitioned the Collector of Bellary to reside at Hyderabad and that since then he petitioned twice to Bellary and petitioned the Collector to arrange for the payment at Hyderabad of the arrears of his pension as well as for future monthly payments.

That the Collector having communicated with the Govt. of Madras obtained sanction to the desired arrangements that on the receipt of the Madras Government

Orders

Order the President duly paid the petitioner the arrears of 13 years but that in accordance with instructions received from Calcutta has now ordered a refund of the amount and the retrospective operation of the pension on which the refund has been made. Urges that he cannot be classed among ordinary pensioners and stated claims have been granted him in consideration of a promise that he had formerly held, that the forfeiture of the 13 years' arrears was an act of justice and that the money he thus received enabled him to clear a portion of the debt which he had incurred during the time that no pension was received by him. Under these circumstances respectfully begs the intervention of the Govt. of Madras with the Govt. of India to obtain a cancellation of the portion directing the refund and sanction to the original payment of the monthly stipend.

Letter further that written the petitioner for payment of Rs. 1000 and the amount of arrears to the Collector. Such duly stated and that therefore that the sum petitioned for

Forwarding for such notice as may seem necessary, papers on the subject of the arrears of pension of Syed Kolander Saib, a Civil Pensioner.
