*Proceedings of the Madras Government, Revenue Department,
22nd November 1870.*

No. 327. Read the following Proceedings of the Board of Revenue, dated 5th November 1870, No. 6,495 :—

Read the following letter from the Officiating Collector of Nellore, to the Acting Secretary to the Board of Revenue, dated Nellore, 17th September 1870, No. 2,489.

WITH his letter, dated 23rd December 1865, No. 11, Mr. Dykes forwarded two printed lists of villages in this district; No. 1 giving them in alphabetical order, and No. 2 according to the demarcation and survey.

2. The correspondence which ensued thereon is noted in the margin. The Board will observe that the whole question has merged with the question of revision of village establishment, for which the requisite details have been collected, and the question remains undisposed of, in consequence of the changes of Collectors which have occurred since they were ready.

3. In paragraph 4 of their Proceedings, dated 17th April 1866, No. 2,655, the Board observe that the grouping of villages in this district was carried to a larger extent than it should have been. In his letter, dated 24th June 1867, No. 187, the then Acting Collector Mr. Boswell pointed out that the grouping objected to had previously been carried out in the demarcation and survey of the district, that no records had been kept of the boundaries of the villages thus clubbed, and that to revert to the old state of things would necessitate an entire revision of one half of the survey of the district.

4. But the question whether the clubbing already effected should stand or not has not been formally decided.

5. My object in bringing the above circumstance to the Board's notice is the difficulty which has arisen in regard to the two villages, named Kastorinayanipalli and Chandravaripalem, which have been clubbed with Mogilicherla in the Kanigiri Taluq. The two villages referred to which are uninhabited, the lands being cultivated by the ryots of Mogilicherla and other villages have hitherto been included in the Kavali Taluq, though geographically they should doubtless be in Kanigiri as proposed. They lie to the north of the Munneru, which forms the northern boundary of the Kavali Taluq. During the last Jamabandi, Mr. Knox ordered the Curnums of these villages to go to the Sub-Collector for settlement in the Kanigiri Taluq; but Mr. Hughesdon declined to take up the villages on the ground that their transfer had not been formally sanctioned.

6. As it is difficult to disturb the grouping already effected, with reference to which, moreover, all the survey and settlement operations have been conducted, I beg to suggest that the same may be formally sanctioned.

THE transfer of the villages of Kastorinayanipalli and Chandravaripalem from the Kavali to the Kanigiri Taluq is obviously expedient, and the Board resolve to request Government to sanction it. In this particular case also there is no objection to these villages being clubbed with Mogilicherla.

*Proceedings of the Madras Government, Revenue Department,
22nd November 1870.*

2. With regard to the general question as to the extent to which villages have been clubbed, the Board will await the report on the re-organization of village establishments before passing further orders.
