*Proceedings of the Madras Government, Revenue Department,
23rd November 1870.*

No. 335. Read the following letter from the Second Member of the Board of Revenue, in charge of the Inam Department, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 15th November 1870, No. 43 :—

FROM the correspondence marginally noted, it will be seen that the unenfranchised Inam of one Krishna Chari in the village of Matli of the Royachoti Taluq, Cuddapah District, was resumed, on his death, by the local authorities, under the misapprehension that it is a life-grant, and, therefore, liable to revert to Government on the demise of the holder.

2. It appears, from the records of this Office, that the Inam in question is not a life-grant, but has been recognized as a hereditary grant, and confirmed on a quit-rent of one-eighth of the assessment. The deceased left heirs to whom the Inam must be continued, and the Collector was requested to restore it to the survivors, and to report the full amount collected and credited to Government during the term of its attachment.

3. The collections amount to Rupees 17-5-0, and I request the sanction of Government for the refund of the sum to the parties concerned.

No. 336. ORDER THEREON, 23rd November 1870, No. 1,841.

Cuddapah.

To,
J. Van's Agnew Esquire,
Collector of Cuddapah.

Sir,

I have the honor to forward a
brief report on Petition No 535 dated
June 6th 1876, for submission, should you
see fit, to the 2^d Member of the Board of
Revenue in charge of the Anim. Commission.

2. Petitioners claim an Anim in the
village of Muttai 15 - 85 in extent,
on which a quit rent of Rupees 2-8-^{acres and}
was fixed.

3. This Anim originally belonged to
Petitioners' brother Sri Sunda Chakka, and
a title deed No 2405 was issued in his
name.

4. As however the Animdar did
not agree to pay the quit rent, the Anim
was included in the class marked B,
and orders were issued to incorporate
the land with Government Ayakatt
on the death of the Animdar. Vide Collector's

NOVEMBER

Certain resumed Inam in Cuddapah
District.—Refund of the amount collected during
the attachment, sanctioned.

Letter No. 237 of November 30th, 1866, and diam Commissioner's letter No. 1100 of October 2nd, 1866.

5. The death of the diamdār was reported by the Tasil-dār on November 12th, 1868, and on November 25th, an order was issued in accordance with the instructions previously received to attach the diām.

6. Petitioners addressed the diam Commissioner on the subject on October 22nd, 1869, and were directed to represent their case before the Collector. On December 11th, 1869, I gave them an endorsement to the effect that I could not interfere as regards the continuance of the diām. On December 15th, 1869, Petitioners obtained an endorsement from the Acting 2nd Member of the Board of Revenue that they were to represent their relationship before the Collector. On May 3rd, 1870, Petitioners addressed the Collector which was on May 11th, 1870, endorsed for inquiry to myself.

7. Whether Petitioners, as brothers of the late diamdār, are to be allowed to hold the diām on payment of the quit rent, is, I opine, a matter to be settled by the diām department. The diām has already been included in Government ayakat

ayakat according to the orders issued by the diām Commissioner in 1866. The land has not however yet been given on puttah to other ryots.

Letter of the Collector of
Cuddapah, dated 8th July 1870
No. 35.

1. From the original Register
in this Office, the Inam claimed by
Petitioners appears to have been
confirmed as a hereditary grant
on a quit rent of 1/8th, but not en-
franchised by the then Inamdār
Devagutta Krishnā Chārī, who
had for his heirs "a wife, 2 daughters,
and 2 brothers", the last not stated
to be divided.

2. Now this Inam came to be
classed in Statement ^B, intended
for Inams liable to lapse on
the death of the present incumbents
or their terminable heirs, is not clear.
It was evidently a mistake.

3. The Collector will please
see again if it is really included
in Statement ^B, whether he has reason
to think that that Statement has
