*Proceedings of the Madras Government, Revenue Department,
24th November 1870.*

No. 362. Read the following Proceedings of the Board of Revenue, dated 14th November 1870, No. 6,647:—

Read the following letter from the Deputy-Collector on general duty, to the Officiating Collector of the Kistna District, dated Vinukonda, 12th October 1870, No. 237.

ONE Sriramdas Venkayya of Mutyalampad applied for permission to form a charitable kunta or tank in his Scri D. Nos. 498 and 499 of acres 10·97, bearing an assessment of Rupees 20-15-4, in the village of Dachepalli in the Palnad Taluq. The Tahsildar reported on the application, on 14th April 1869, that a kunta had already been commenced without permission at a cost of Rupees 200 in D. No. 498 of acres 6·15, the assessment of which is Rupees 11-10-8, and that it would be useful for cattle and men if finished. An order was thereupon issued to him, calling for some further information, which he furnished in his report, dated 29th September last.

2. The applicant, Venkayya, having since died, his lands have been registered in the name of his widow Sembhulinga, who agrees to continue the charity. The tank has been now completely formed in D. No. 498, and is situated close to a foot-path leading to Peddagarlpad. Though water is available, it seems, at a distance of half a mile from it, yet the new tank will be useful to the men and cattle at work in the fields and also to the travellers that pass by it. No cultivation is made under it.

3. Under these circumstances, I beg you will be good enough to give sanction for the transfer of the tank No. 498 to Porumboke, and for the remission of the assessment borne by it. The other number is cultivated, not being required for the work in question.

No. 4,716.

SUBMITTED to the Board of Revenue for sanction.
