Proceedings of the Madras Government, Revenue Department,
10th February 1870.

No. 69. Read the following letter from Captain M. W. CARR, Madras Staff Corps, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 21st December 1869 :—

WITH reference to Proceedings of Government, 1st May 1868, No. 1,191, I have the honour to report the completion of the work therein entrusted to me, and to forward specimen copies* of the collected papers descriptive of the "Seven Pagodas."

* 10 Copies "The Seven Pagodas," 8vo.
5 Do. do. Folio.
5 Do. Sketch of Mâvalivaram, to accompany Folio Edition.

2. In compliance with verbal instructions communicated to me by Mr. Secretary Hudleston, I have prepared an Edition of fifty copies in folio, in which photographs of a large size can be inserted and bound up.

3. The book has been printed at the "Foster Press," and it is due to Mr. Foster that I should state that he has spared no exertions to execute the work well. He has taken especial pains with the Folio Edition—a work of uncommon size to issue from an Indian Press.

4. The 8vo. Edition has been put into a neat and strong half-binding, with the sketch Map in a pocket. The Folio Edition is merely stitched, with a view to its being bound up hereafter with photographs. For the same reason the Maps for this Edition are sent separately. They should be folded by the binder. In the folio title I have inserted as a vignette a good photographic view of the Shore Temple by Messrs. Nicholas and Curths.

5. The Sketch Map has been carefully executed, under Colonel Priestley's personal instructions, by the Revenue Survey Department. I have had the Maps for the 8vo. volume printed on tracing cloth, this material being more durable than paper.

6. I have the honour to enclose a bill for the cost of the work, amounting to Rupees 2,283-15-4† and I shall feel much obliged by early sanction for the disbursement of the amount. The Folio Edition has cost, (exclusive of some paper supplied by the Stationery Office and Revenue Survey Department, and the cost of lithographing the Map), it will be observed, Rupees 11-2-1 per copy, and the 8vo. Edition Rupees 5-12-1. The books might therefore be sold to the public at Rupees 12 and Rupees 6, respectively.

† Folio Edition, 50 copies	556	10	8
8vo. Edition, 300 copies... ...	1,727	4	8
Total...	2,283	15	4

7. I venture to suggest that copies of the work may be sent to the Societies and gentlemen named in the margin, who have permitted the re-print of papers or otherwise assisted in the work. And I shall feel thankful if Government will grant me twenty copies of the 8vo. Edition, and two copies of the Folio Edition.

8. I will merely add that I have used my best endeavours to make the book accurate and useful.

No. 70. ORDER THEREON, 10th February 1870, No. 185.

Miscellaneous.

THE thanks of His Excellency the Governor in Council are due to Captain Carr for the satisfactory manner in which he has performed the duty entrusted to him, and the Government have much pleasure in placing at his disposal two folio copies of the work and twenty copies of the Octavo Edition.

2. As suggested by Captain Carr, two folio copies and five octavo copies will be forwarded to the Societies and gentlemen named in the margin of paragraph 7 of his letter. Twenty-five copies of the Octavo Edition and fifteen copies of the Folio Edition will be forwarded to Messrs. Higginbotham & Co., and the same number to Messrs. Gantz & Co., for sale to the public at the prices recommended by Captain Carr, and the remaining copies will be retained in store for distribution.

3. The cost of the work, Rupees 2,233-15-4, appears to be moderate, and is sanctioned. Captain Carr should present the bills for audit to the Examiner of Claims, and when passed, the amount should be debited to "Grant No. 26—Miscellaneous."
