*Proceedings of the Madras Government, Revenue Department,
3rd December 1870.*

No. 64. Read the following Proceedings of the Board of Revenue, dated 2nd November 1870, No. 6,437 :—

Read the following letter from the Deputy-Collector on general duty, to the Officiating Collector, Kistna District, dated Vinukonda, 28th September 1870, No. 225.

ONE Dirisala Aiyavarappa of Mruttujapuram in the Vinukonda Taluq gave an application on the 10th March last, seeking for permission to form a charitable kunta in the village of Narsayapallem of the same taluq. The Tahsildar reported to me, in May last, that the applicant had already commenced, without permission, its formation in acres 5.25 of land, which form part of acres 27.20, being the area of D. No. 293, which was thrown up in Fasli 1275. Ten acres of land out of the area of the field were granted for cultivation in Fasli 1278 to the said individual, who holds it since under a Puttah granted him. The tank is situated on the road leading from Palnad in this district to Kurachedu of the Venkatagiri Zemindari in the Nellore District, and is, therefore, useful for men and cattle. It costs on the whole a sum of Rupees 150 to finish it.

2. Under these circumstances, I beg you will be good enough to obtain sanction for the sub-division and transfer of acres 5.25, bearing a proportionate assessment of Rupees 3-9-9 to Porumboke. The remaining extent in the field, namely, acres 11.95, will be available for cultivation. No cultivation will be made under the tank in question.

No. 4,479.

SUBMITTED to the Board of Revenue for sanction.
