which will commence in

Governor in Council requests
that you will render your
Revenue establishment avail-
able for the purpose of
numbering the inhabitants
of your estate and for pre-
paring certain returns

3 The collector will advise you in detail as to the course which you should adopt.

4 His Excellency the Governor in Council is confident that you will lend every aid in your power to the successful accomplishment of the census within your estate. He desires that you will make the inhabitants clearly understand that the census is not designed
