No. 101. Read the following letter from the Deputy-Accountant-General, and Superintendent of Stamps, Mysore, to the Secretary to the Government of Madras, Revenue Department, dated 25th November 1870, No. 23 :—

With reference to your letter, No. 725, dated 6th April 1865, paragraph 2, on the subject of supplying Madras Government water-marked paper for the Stamp Department of the Mysore Administration, I, have the honour, by desire of the Chief Commissioner, to state that the stock of Mysore water-marked paper is likely to be exhausted shortly, and it will be necessary, therefore, to indent on the Madras Stores for the future wants of this Administration. The Chief Commissioner directs me to request that you will do him the favour of issuing instructions to the proper authority to comply with my applications for water-marked paper by forwarding the quantity that may be indented for by this office, from time to time, to the Commissioner of Paper Currency in charge of the Stamping Department at Madras, who, according to the existing arrangement, will impress the paper agreeably to my requisitions.

2. The value of the paper, at cost price, will be paid by this Administration as contemplated in the Government of India Orders, Financial Department, No. 798, dated 15th February 1865, a copy of which was enclosed in the Chief Commissioner's letter, No. 4,624-30, dated 8th March 1865, to which your No. 745 was a reply.
