*Proceedings of the Madras Government, Revenue Department,  
6th December 1870.*

No. 120. Read the following letter from the Acting Director of Revenue Settlement, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 30th November 1870, No. 2,033-48 :—

In reply to the Proceedings of Government, dated 28th instant, I have the honour to state that the Report therein referred to has been completed and forwarded to the Press, as it was deemed best to print before submitting to the Board; the time occupied in striking off being the same, whether this was done previous or subsequent to Board's review of the Collector's Report and mine concurrently. Should Government desire the Report to be forwarded direct, one of the printed copies can be furnished as soon as struck off.

2. I have explained in my letter how the work, both in the field and in the office, turned out heavier than I had anticipated, and thus, although due efforts were made, the submission of the Report was unavoidably delayed.

No. 121. ORDER THEREON, 6th December 1870, No. 1,948.

Miscellaneous.

ORDERED to be recorded.

(True Extract.)

(Signed) H. WELLESLEY,
