Proceedings of the Madras Government, Revenue Department,
8th December 1870.

No. 181. Read the following Proceedings of the Board of Revenue, dated 25th November 1870, No. 6,831:—

Read the following letter from the Consulting Engineer for Irrigation and Canal Company, to the Acting Secretary to the Board of Revenue, dated Madras, 9th November 1870, No. 178.

With reference to the Proceedings of the Board of Revenue, No. 238, of the 23rd July last, (Miscellaneous,) I have the honour to forward, herewith, in original, a statement (to be returned) from the Agent, Madras Irrigation and Canal Company, showing the probable area of land still required for the completion of their works in Kurnool and Cuddapah Districts.

2. The Company's contract with the Secretary of State for the completion of the works up to Cuddapah expires on the 30th June 1871, and they expect to complete all the works before that date; and to admit of their doing so, they should be in possession of all the lands they still require before the 1st of April in that year, and beyond this period the services of the Deputy-Collectors engaged in making over land to the Company in the Kurnool and Cuddapah Districts will, I imagine, not be required.

Enclosure No. 1.—Statement.

Submitted to Government, with reference to Government Order, dated 12th July 1870, No. 1,043.

2. The Consulting Engineer thinks the demand for land by the Irrigation and Canal Company will cease next March.

No. 182. Order thereon, 8th December 1870, No. 1,978.

Miscellaneous.

Ordered to be recorded.
