No. 208. Endorsement of the Secretary to Government, Public Works Department, dated 8th September 1870:—

Read the following letter from the Controller of Public Works Accounts, Madras, to the Secretary to Government, Public Works Department, Fort Saint George, dated 6th September 1870, No. 1,127:—

ADVERTING to the Orders of Government, No. 17, dated 3rd September 1870, I have the honour respectfully to invite attention to my letter, No. 999, of the 24th August 1870, and to represent that the transfer to the Public Works Budget of the funds provided in the Civil Budget for Niranim Establishment can be made only under the special sanction of the Government of India.

2. I beg to add that neither in this case nor in that adverted to in my letter just quoted has any order been received from the Public Works Department of the Government of India, authorizing this Office to add the provision in the Civil Estimates to the Budget Grant for Public Works.

TRANSFERRED to the Revenue Department, with reference to the Order in that department, No. 1,311, of the 23rd August 1870.

No. 209. From the Accountant-General, Madras, to the Secretary to Government, Revenue Department, dated Fort Saint George, 6th December 1870, No. 269.

ADVERTING to the Proceedings of the Madras Government, No. 1,311, Revenue Department, dated 23rd August last, I have the honour to enclose copy of a letter from the Collector of Tinnevely, No. 1,646, dated the 29th ultimo, and to request that, as under the instructions contained in a letter from the Government of India, No. 3,204, dated the 23rd idem, no transfer of grant can be made from the Civil to the Public Works Department, Government may be pleased to direct that the expenditure, for which Mr. Puckle now solicits a transfer, may be met from any available funds in the Public Works Department. It is presumed that the necessary provision for the charge will be made in the Public Works Department Budget for 1871-72.

ENCLOSURE No. 1.

From the Collector of Tinnevely, to the Accountant-General, Madras, dated 29th November 1870, No. 1,646.

In Government Proceedings, No. 1,311, dated 23rd August 1870, the management of the Niranim Establishment for distributing water to the fields was ordered to be transferred to the Department Public Works; the Department Public Works, however, have no funds to pay this establishment, and the men are consequently starving. I have, therefore, the honour to request that the amount placed to the credit of the Revenue Department in the Budget of 1870-71 for the purpose be transferred to the credit of the Department Public Works.
