*Proceedings of the Madras Government, Revenue Department,
12th December 1870.*

No. 248. Read the following Proceedings of the Board of Revenue, dated 2nd December 1870, No. 6,923 :—

Read the following letter from the Collector of Nellore, to the Acting Secretary to the Board of Revenue, dated 10th November 1870, No. 3,020.

ADVERTING to Government Order, Public Works Department, dated 23rd September 1870, No. 2,305, communicated with Proceedings of Board, dated 11th ultimo, Miscellaneous No. 1,122, I have the honour, with reference to Government Order, Revenue Department, dated 8th August last, No. 1,187, communicated with Board's Proceedings of 16th idem, Miscellaneous No. 451, to request permission to make an immediate loan of Rupees 1,500 to the Udayagiri aqueduct work from the District Road Fund. The sum can be debited to the unappropriated balance, which, as far as I can judge, is likely, at the close of the year, to result in a large unexpended balance.

SUBMITTED for the orders of Government.

2. The Board cannot support this application, unless it is certain that the Government of India will allow the loan to be repaid.

No. 249. ORDER THEREON, 12th December 1870, No. 2,008.

Miscellaneous.

COMMUNICATED to the Department Public Works, with reference to the G. O. quoted. The Government stand pledged to assist the work, and they trust that the anticipation of being able to make an appropriation for it later in the year may be fulfilled.
