No. 104. Read the following Proceedings of the Board of Revenue, dated 17th December 1869, No. 9,253:—

Read the following letter from the Collector of Salem, to the Acting Secretary to the Board of Revenue, dated 1st December 1869, No. 275.

REFERRING to Board's Proceedings, under date the 22nd October last, No. 225, I have the honour to submit a Statement, obtained from the Superintending Engineer, 5th Division, showing the mileage of Imperial Roads in this district.

2. The last-mentioned road in the list, viz., that between Tharamungalam and Sooramungalam, has just been made over to the Revenue Department to be maintained from Local Funds. I have lately been on this road, and found three bridges wanting, and all of the tunnels faulty in construction.

3. As regards the other roads mentioned in the list, I have called upon the divisional officers for their remarks, which will be submitted to the Board as soon as received. As regards the road from Salem to South Arcot frontier, it is, as the Superintending Engineer himself remarks, not in good order, especially between the 6th and 24th miles.
