No. 296. Read the following Proceedings of the Board of Revenue, dated 5th December 1870, No. 6,949 :—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 3rd November 1870, No. 377.

With reference to the Board's Proceedings, Miscellaneous No. 1,039, covering Government Order, dated 23rd September 1870, No. 1,493, I have the honour to state that the rents collected for the Government yards in Cochin are credited to "Land-revenue, Miscellaneous," in the Treasury Account, and that the proposed wall, if built of laterite-in-mud, would not stand the protracted wet weather on this coast. It would also, if so constructed, fail to afford the security which a proper masonry wall would afford, and in consideration of which an enhanced rent may be anticipated.

Submitted to Government, with reference to Government Order, 23rd September 1870, No. 1,493.

No. 297. Order thereon, 15th December 1870, No. 2,031.

Miscellaneous.

The papers will be transferred to the Department Public Works in view to provision being made for the work as soon as funds are available.
