Read the following papers:—

No. 300. Proceedings of the Board of Revenue, dated 22nd September 1870,
No. 5,839.

Read the following letter from the Acting Collector of Tinnevely, to the Acting
Secretary to the Board of Revenue, dated Courtallum, 31st August 1870,
No. 415.

I HAVE the honour to forward the enclosed correspondence, and to inform
you that Captain Richardson, since the

	Rs.	Rs.	Rs.

Moiety	100	150	250	ing to rules, a moiety* of the full pay attached to the offices, as he then held

no substantive appointment; but since his appointment as Master Attendant of
Masulipatam, the Accountant-General declines to pass the moiety of the salary
attached to the office of the Superintendent of Pearl Banks, on the ground that,
under the existing rules for acting allowances, he is entitled to only 20 per cent. of
the full pay of the office, namely, Rupees 300, *plus* Rupees 200, as Master Attendant
of Masulipatam, or Rs. 260 in all per mensem. Captain Richardson considers this
amount inadequate, and appeals for an increase as per enclosed copy of his letter.

2. Considering how thoroughly the examination of the coast has been
performed, coupled with the zeal and interest Captain Richardson has always taken
in his work, I am induced to support his application, and recommend that the
rules may be relaxed in his favour, as a special case, to the extent of allowing
him to draw the moiety, or 150 Rupees, of the Superintendent's allowance during
the period he may be in charge. The arrangement no doubt absorbs the savings
to Government, but, at the same time, it entails no extra expense.

ENCLOSURE No. 1.

From the Deputy-Accountant-General, Madras, to the Collector of Tinnevely, dated Fort Saint
George, 8th August 1870, No. 2,770.

Vide your Treasury Deputy's memorandum, No. 2,234, dated 2nd instant.

States that as Captain Richardson has been permanently appointed Master Attendant,
Masulipatam, he is entitled, under the rules, to the pay of that appointment, Rupees 200, and to
deputation allowance, at 20 per cent., upon the pay of the Superintendent of Pearl Fishery at
Tinnevely, so long as he continues to officiate in the latter appointment.

(Signed) R. W. LODWICK
Deputy-Accountant-General.

From the Acting Superintendent of Pearl Banks, to the Collector of Tinnevely, dated Tuticorin,
19th August 1870, No. 27.

In the month of February last, the Accountant-General referred to Government for instruc-
tions on the subject of the pay I was drawing in the combined offices of Master Attendant of
Tuticorin and Superintendent of Pearl Banks, both acting appointments. The Government on
that occasion, with kind consideration, ruled in their Order, No. 498, dated 11th April 1870, that

*Proceedings of the Madras Government, Revenue Department,
15th December 1870.*

as I was doing the entire duty of the permanent incumbent in both offices, I was clearly entitled to draw deputation allowance, or one-half of the full salary of the permanent officer.

2. Since that date, I have been permanently appointed to the post of Master Attendant of Masulipatam at Rupees 200 per month, and the Accountant-General has ruled that I am now only entitled to 20 per cent. of the salary of Superintendent of Pearl Banks, that is, Rupees 60 per month, and nothing as Master Attendant of Tuticorin. I wish to appeal to you, and ask your interest with the Board of Revenue and Government, to consider whether that is an adequate proportion of the salary of the permanent officer, getting Rupees 300 per month, for the duties I perform, and have heretofore performed, I believe, to the perfect satisfaction of yourself, the Board and Government, as recorded.

3. I need say no more, as I feel convinced you will put this matter before the Government in such a form as will ensure their favourable consideration of the case.

SUBMITTED for the favourable consideration of Government.

REFERRED to the Accountant-General for his observations and for report as to the amount of salary drawn by Captain Phipps while on leave.

FORT SAINT GEORGE,
3rd November 1870.

(Signed) R. A. DALYELL,
Acting Secretary to Government.

No. 301. From the Accountant-General, Madras, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated 4th November 1870, No. 227.

I HAVE the honour, with reference to endorsement on the Proceedings of the Board of Revenue, No. 5,839, dated 22nd September last, to state that, as long as Captain Richardson had no permanent appointment, he was allowed deputation allowance at 50 per cent. on the pay of the appointments of Master Attendant and Superintendent of Pearl Fishery, Tuticorin, namely, Rupees 250 a-month; but from the date on which he was permanently appointed Master Attendant, Masulipatam, he became entitled, under the rules, and was allowed, a deputation allowance of only 20 per cent. on the pay of the Superintendent of Pearl Fishery, namely, Rupees 60, in addition to his own pay of Rupees 200 as Master Attendant; in all Rupees 260 per mensem. The salary of Master Attendant, Tuticorin, being the same as that of Master Attendant, Masulipatam, Captain Richardson could claim no deputation allowance on that salary.

2. I would observe that, as the salary of the Superintendent of Pearl Fishery exceeds Rupees 200 per mensem, Captain Richardson cannot, under the orders of the Government of India, No. 1,821, dated 12th July 1869, be granted deputation allowance in excess of what is authorized by the rules.

3. Captain Phipps receives, during his absence on leave, Rupees 250 per mensem, being a moiety of the aggregate salaries of the above two appointments.

No. 302. ORDER IN COUNCIL, 15th December 1870, No. 2,033.

This Government resolve to recommend to the Government of India that, as a special case, Captain Richardson

*Proceedings of the Madras Government, Revenue Department,
15th December 1870.*

may be allowed to draw a deputation allowance of Rupees 100 instead of Rupees 60 as Acting Superintendent of Pearl Banks, with effect from 21st June 1870, on which date Captain Richardson obtained a substantive appointment under Government.

2. It is observed that there will still remain a net saving to Government of Rupees 50 monthly.

3. Ordered that the following letter be despatched:—

Miscellaneous.

SIR,—I am directed by His Excellency the Right Honourable the Governor in Council to submit the following recommendation to the Government of India.

2. On 2nd November 1869, Captain Phipps, Master Attendant and Superintendent of Pearl Banks, Tuticorin, obtained fifteen months' leave of absence, being at that time in receipt of Rupees 200 pay as Master Attendant and Rupees 300 additional as Superintendent of Pearl Banks, or total Rupees 500 monthly, and receiving half pay, or Rupees 250 monthly, while on leave.

3. Captain Richardson, who then held no substantive employment under Government, was appointed to act for Captain Phipps in both offices on Rupees 250 monthly.

4. On 21st June 1870, Captain Richardson was appointed to the substantive post of Master Attendant at Masulipatam on pay of Rupees 200, continuing to act at Tuticorin, and Captain Gahan, who is without any substantive appointment, was appointed to act at Masulipatam on Rupees 100 monthly.

5. Since his confirmed appointment Captain Richardson has drawn deputation allowance of Rupees 60 or 20 per cent. on the pay of Superintendent Pearl Banks, making his aggregate allowances Rupees 260, or only Rupees 10 monthly in excess of what he drew before confirmation.

6. Captain Richardson has applied, and the Collector and Board of Revenue support his application, for some increase to the allowance for the latter duty; and considering the responsible and peculiar nature of the office, and the efficient manner in which the examination of the Pearl Banks has been conducted by Captain Richardson, this Government recommend that, as a special case, the deputation allowance be increased from Rupees 60 to Rupees 100 monthly, with effect from 21st June 1870. There will still remain a net saving of Rupees 50 monthly to Government out of the substantive allowances as shown below:—

Recommendation, for the reasons stated, that Captain Richardson, Superintendent of the Pearl Banks, may be allowed to draw a deputation allowance of Rupees 100 instead of Rupees 50 from 1st June 1870.

3. Captain Richardson
whose permanent appoint-
ment is Master Attendant
at Musulipatam (Rs 200
per mensem) is acting
in both Captain Phipps
appointments. He draws
his own permanent
salary, and deputation
allowance of 20 per cent
on the pay of the Supt.
of Pearl Banks - in all
Rs. 260

4. In his letter accom-
panied with Board's Pro^s

dated

Sept^r 21. June 70

dated 22nd September 1870,
No. 5839, Captain Richard-
son complains that
Rs. 60 is not an adequate
remuneration for the
duties which he performs
as Supt. of Pearl Banks.
The Collector forwards his
complaint and suggests
that he should be
allowed to draw Rs. 150
or half the pay of that
appointment.

5. It is submitted
that the Collector's recom-
mendation may be

adopted. If Captain
Richardson was performing
the duties of his permanent
appointment he
would be drawing Rs 200
and an additional
Rs 60 does not appear
sufficient to reimburse
him for continually
visiting the Pearl Banks.
Before he was confirmed
as Master Attendant
at Manipatam he
drew Rs 250 per mensem
deputation-allowance
being

being half Captain
Shipp's full salary.
his confirmation there-
fore has only gained
him an additional
Rs 10. It is moreover
doubtful whether the
appointment of Supd^t
of Pearl Banks is sub-
ject to the ordinary
rules as to allowances.
The Secretary of State
in his Despatch dated
31st Augus 1860, No 62
laid down that "any
"increase in the salary
of

"of Captain Phipps (as
 "his pay for supervising
 "the Pearl Banks) which
 "the Govt of India may
 "sanction should be con-
 "sidered as personal
 "allowance to that
 "officer for the perform-
 "ance of special duties."

However, for the reasons
 pointed out by the
 Accountant General
 in his letter dated 4th
 November 1890, No 227,
 it will probably be
 advisable

if necessary think. *EB* advisable to apply to the
 Govt of India before
 sanctioning any
 increase in Captain
