No. 312. Read the following letter from the Acting Director of Revenue Settlement, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 8th December 1870, No. 2,077-52 :—

In accordance with the instructions of Government, dated 6th instant, No. 1,957, I have the honour to forward the Budget-estimate of this department for 1871-72, revised and reduced so as to bring the amount within Rupees 400 of the Budget allotment for the current year. This reduction of Rupees 56,700 will necessitate the postponement of the Coimbatore District Settlement.

No. 313. ORDER THEREON, 15th December 1870, No. 2,039.

Land Revenue

THE Budget-estimate of the Settlement Department for 1871-72, which has been reduced by the Director,

agrecably to the orders of Government, amounts to Rupees 3,25,000 against Rupees 2,35,582, the actuals of 1869-70, and Rupees 3,24,600, the Budget-estimate for 1870-71.

2. The supervision of the settlement of all districts, except Tinnevely, having, under the orders of Government, dated 20th May 1868, No. 1,427, been re-transferred to the Director, and the operations of the department having been extended, the Government do not consider further reduction practicable. Mr. Banbury states that the settlement of the Coimbatore District must be postponed, in order to limit the expenditure to the proposed allotment, and the settlement of the Chingleput District, which is in progress, will have to be continued without any specific allotment by transfers from other working parties.

3. Under these circumstances, the revised Budget now submitted is sanctioned and transmitted to the Accountant-General.

Settlement Budget estimate for 1871/72,

General.

for 1870/71. The Begum's estimate for the current year shows that there will be a saving of upwards of Rs. 40,000.

2. Mr. Bamberg explains that the increase of Rs. 57,100 on the whole is owing to the transfer to his Department from Collectors of the supervision of the settlement of all Districts except Simmerville, under the orders of Govt. dated 20th May 1868 No. 1427, as also to the extension of operations both certain and probable. The Govt. will review separately the provisions made for the Central Office

and as far as the Budget is concerned. The Govt. of India will not sanction a charge on income. I think we had better do up the Budget as we mean to when the Budget is estimated at Rs. 2,80,000 which will be the actual expenditure of the present year.

has been found that some of the Collectors and the Revenue Department have been found to be in arrears of the Government. The Government has been found to be in arrears of the Government.

and each party. 3. The estimate for the Central Office amounts to Rs. 58,000 against Rs. 49,601 the actuals of 1869/70 & Rs. 54,000 the estimate for the current year. The increase of Rs. 4,000 over the last mentioned sum occurs in the items noted in the margin. The

and each party. 3. The estimate for the Central Office amounts to Rs. 58,000 against Rs. 49,601 the actuals of 1869/70 & Rs. 54,000 the estimate for the current year. The increase of Rs. 4,000 over the last mentioned sum occurs in the items noted in the margin. The 2nd Assistant is a sanctioned appointment, but in renewing the Budget for 1866/67, the Govt. directed that that post which was then vacant need not be filled up. Mr. Bamberg states that the re-establishment of the Department will render an employe of this rank necessary & the provision made will be retained. But specific orders should be obtained before filling up the appointment.

appointment. The increase under
travelling allowance is approved,
as under arrangements recently
sanctioned the Director will
~~have~~ make frequent tours
in the districts. The estimate is
of a good.

4. The estimate for Party
No 1 amounts to Rs. 27,700 against
Rs. 16,020 the actuals for 1869/70,
and Rs. 28,700 the estimate
for the current year. The esti-
mate though less than that for
the current year exceeds the actual
of 1869/70 by Rs. 11,680, & according
to the Regular Estimate for the
current year there will be a
saving of Rs. 13,400 on the estimate.
The Director should have explained
these material differences to fa-
cilitate the review of the Budget
by Govt., & he will be requested to
do so in submitting future Budget Estimates.
The

The increase is apparently the
result of the provision made
for a Commissioned Dy. Director
for six months for the settle-
ment of the Quarter Division
of the Kistna District which
has not yet been commenced,
pending the orders of Govt.,
as also for the preparation
& printing of the Settle-
ment Registers of that part
of the District. The report
on the subject is before Govt.,
and early orders will be
issued. The estimate is
passed.

5. The estimate for No 2
Party amounting to Rs. 83,000
against Rs. 25,351 the actuals
of 1869/70, and Rs. 82,500 the
estimate

It is much to be
regretted that the
proper authorities
who are responsible
for the estimate
have not been able
to give a satisfactory
explanation of the
increase.

estimate for the current year includes the provision for the settlement of the Salene District which is in progress, as also for commencing work in the Combalon District. It is therefore approved - The saving in the current year's estimate as shown by the Regular Estimate is due chiefly to

the non-entertainment of the establishment according to the full strength of the party and to the small cost likely to be incurred

this year in preparing the Settlement Registers.

6. The estimate for Party No 3 viz. Rs 94,700 is the

same

	Director's estimate	Sum passed
Travelling allowance, &c	3,500	3,000
Printing of Registers	5,500	2,300

same as that for the current year. It, however, exceeds the Regular estimate by Rs. 5,500 in consequence of smaller expenditure under travelling allowance, and printing of Settlement Registers. Mr. Banbury should have stated the reasons for these differences, and in the absence of any explanation on the subject, the provision under the two items is reduced. The estimate passed for this party is Rs. 91,000.

7. The estimate for Party No 4 amounts to Rs. 78,300 against Rs. 40,115 the actuals

of

of 1869-70 and Rs. 40,700 the
estimate for the current year,
nearly the whole of which
is likely to be expended. This
party is employed in Bellare,
but it is ^{proposed that it shall} undertake the
work of the Chendragherry
Taluk in the North Arcot
District, and the Pro. of the
Board dated 28th June 1870,
No. 4,450 on the subject is
now before Gov^t. Mr. Pan-
bury explains that the
additional sum of Rs. 37,600
allows for the retention of an
Assistant Director to conduct
actual field work in
Chendragherry whilst Mr.

Rundell

Rundell, the Dy. Director is
engaged upon the Bellare
Settlement duty. The estimate
is passed pending the orders
which may be given on the
Board's Pro. already referred
to.

8. The estimate for the
Tonnivelly District, the settle-
ment of which ^{is} under the
superintendence of the Collector,
amounts to Rs. 40,000 against
Rs. 24,000 the estimate for
the current year, and Ru-
pees 22,155 the actuals of
1869-70. There is no explana-
tion whatever of the large
increase except in regard
to Rs. 6,000 for printing
Registers.

Registers and mounting
maps. The Govt cannot
therefore pass more than
Rs. 30,000 under this head.

9. The total of the
Budget now passed is
Rs. 3,68,000 as shown
below and the Govt
refrains from making any
further reduction in Mr
Bamburys estimate as he
undertakes to continue
the settlement of the
Chengelpur District which
is in progress without
any specific allotment
by transfer from other

working

working parties.
