*Proceedings of the Madras Government, Revenue Department,
12th February 1870.*

No. 110. Read the following Proceedings of the Madras Government in the
Public Works Department:—

Sanctioning estimate of Rupees 1,840, for the
re-construction of a portion of the timber-
superstructure of the Cubbinholly Bridge in
South Canara, and approving the appropriation
of funds recommended by the Superintending
Engineer in connection with the same. (Here enter 21st January 1870, No. 248.)

No. 111. ORDER THEREON, 12th February 1870, No. 203.

Local Funds, No. 5.
Civil Works.

COMMUNICATED to the Board of
Revenue, with reference to the Order of
Government in this department, dated
1st June 1869, No. 1,539. In this

Order the Board were requested to submit their views on suggestions made by the
Superintending Engineer of the 7th Division in his letters recorded in the Public
Works Order, dated 12th January 1869, No. 83, regarding the levying of tolls on
certain ghauts and bridges in Coimba-
tore, Malabar, and Canara Districts.

The Board called upon the Collectors of the first two districts to submit their
reports on the subject, but they apparently omitted to notice the Superintending
Engineer's proposals relating to the Canara District. They will now be requested
to give their early attention to the subject.

(True Extract.)

(Signed) R. A. DALYELL,
Acting Secretary to Government.

To the Board of Revenue.

*Proceedings of the Madras Government, Public Works Department,
21st January 1870.*

No. 478. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coonoor, 15th December 1869, No. 154:—

I HAVE the honour to submit, for the consideration of Government, an estimate of Rupees 1,840 for re-placing portion of the timber-superstructure of the Cubbin-hollay bridge on the road below Munzerabad Ghaut, and tarring the whole of the same.

2. The restorations appear to have been necessitated by want of sufficient care and judgment in selection of some of the jungle-wood used, which, though good for many purposes, is not adapted for use in situations exposed to alternations of damp and drought. I have already had occasion to issue a Circular to Canara Range Officers, enjoining the utmost care in selection of jungle-timber for bridge-superstructures.

3. The state of the work in question was brought to my notice by the Collector of Canara last month; and I would have treated its repair as an ordinary contingency to be met from the maintenance and special repair-allotments of the district, had they not been so greatly reduced as to have become exhausted some months before the close of the official year. I have therefore to request that I may be allowed to treat the work as a minor new work, and to appropriate for it in the current year Rupees 540, being the balance, within a few rupees, remaining available under that head, and to supply the remainder next year in time for completion before the monsoon.

4. I take this opportunity of again calling attention to the question of tolling the roads below the Munzerabad, Kodekul, and Agoomby Ghauts, in Canara, with reference to the provision of adequate sums for the up-keep of those lines; the present allowance of Rupees 110 a mile for the two former of which and of the road below the Sampajee Ghaut should be doubled from the proceeds of tolls on them.

No. 479. ORDER THEREON, 21st January 1870, No. 248.

CIVIL WORKS, No. 49.

The Government sanction the estimate of Rupees 1,840 for the re-construction of a portion of the timber-superstructure of the Cubbinhollay bridge, and approve of the appropriation of funds recommended in paragraph 3.

2. Adverting to paragraph 4 His Excellency the Governor in Council observes that the question of tolling certain ghaut-roads and bridges in the Canara District was referred to the Revenue Department in G. O., No. 1,610, dated 15th May 1869.

(True Extract.)

PROCEEDINGS of the MADRAS GOVERNMENT.

Under date the 12th July 1870.

Read the following.

*Readings from
the Public Works Department.*

*Resolutions of the
Madrass Government
relative to the construction of
a portion of the timber superstructure
of the Sub-urban Bridge, sanctioned
and the appropriation of funds
recommended by the Superintending
Engineer in connection with the same.*

(No. 117 January 18, 1870)

*Communicated to the
Board of Revenue with
reference to the note of Govt.
in this Department dated
11 January 1870. In this
order the Board were request-
ed to submit their views on
suggestions made by the Super-
intending Engineer of the
Public Works in his letters re-
corded in the Public Works
order.*

Order dated 11th January 1864
N^o 83 regarding the levying
of toll on certain handcart
bridges in Camborne, Malton
and Canara District. The
Board called upon the
Collectors of the first two
Districts to submit their
reports on the subject, ~~and~~
~~these reports were before me~~
but they apparently omitted
to notice the Superintending
Engineers proposals relating
to the Canara District. They
will now be requested to
give their early attention
to the subject.
