Proceedings of the Madras Government, Revenue Department,
20th December 1870.

No. 385. Read the following Proceedings of the Board of Revenue, dated 10th November 1870, No. 6,587 :—

Read the following letter from the Acting Sub-Collector in charge of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 26th September 1870, No. 299.

With reference to the Board's Proceedings, dated 8th instant, No. 5,651, paragraph 5, I have the honour to report that Salt-platform No. 4 is situated close to cultivation, and about 500 yards from dwellings, and the other No. 7 is about half a mile both from cultivation and dwellings. These platforms are not surrounded with any fence, and nothing but prickly pear will grow there.

Submitted to Government, with reference to their Order, No. 1,653, of the 27th October last.

2. The Board recommend that sanction may be granted, as a special case, for a prickly pear hedge round platform No. 7, where it is unlikely that any injury can result from [illegible] formation, and the Collector will be requested to report again as to the means to be adopted to protect the other.

No. 386. Order thereon, 20th December 1870, No. 2,076.
