Read the following letter from the Acting Superintending Engineer, 1st Division, to the Acting Collector of Ganjam District, dated 1st November 1870, No. 2,586.

With reference to my letter, No. 1,900, dated 5th September 1870, I have the honour to forward, herewith, copy of one,* received from the Supervisor in charge No. 1 Range, Ganjam, reporting the amount required to complete the portion of Trunk Road referred to in paragraph 4 of the Salt Deputy-Collector's letter embodied in Government Order, Revenue Department, No. 1,261, dated 15th August 1870.

Enclosure No. 1.

From the Supervisor in charge No. 1 or Chikashola Range, to the Superintending Engineer, 1st Division, dated 26th September 1870, No. 167.

I beg to request you will be good enough to issue orders to commence the portion of Trunk Road left incomplete near Nowpadah Salt Cozars, and appropriate Rupees 1,500 for that purpose, as required in my letter, No. 135, of 31st August 1870.

2. As the salt-traffic will commence from the month of November, it will be much troublesome to carts to pass through that road in the present condition; moreover, I fear there will be much correspondence between the Revenue Department and our department if this portion is not attended earlier. Consequently, I beg you will sanction this amount from any funds that may be available.
