*Proceedings of the Madras Government, Revenue Department,
21st December 1870.*

No. 420. Read the following letter from the Acting Third Member of the Board of Revenue, in charge of the Inam Department, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 17th December 1870, No. 49 :—

I HAVE the honour to report on the Budget requirements, for the year 1871-72, on account of the Inam Department.

2. The establishment at present retained under the sanction of Government G. O., 11th October 1870, No. 1,539. noted in the margin, for carrying on the work connected with the Inam Commission, costs Rupees 411 per mensem. This grant has been availed of only to such an extent as has been found absolutely necessary.

No. despatched	...	...	...	...	547
Title-deeds issued	...	...	...	...	441
Petitions disposed of	...	...	...	...	431

3. The marginal note of cases reviewed, letters received and despatched, Title-deeds issued, and petitions disposed of, shows the quantity of work done since July 1870. It is impossible to state with certainty what the amount

of business will be after March 1871, or during the ensuing official year. The issue of Title-deeds for the Village Service Inams, now in course of being enfranchised in the districts of Godavery and Trichinopoly, will certainly cause some additional work at the Central Office. In several districts Title-deeds have also to be issued for lands, the assessment of which has been assigned as Inam to religious institutions in lieu of money-payments. I am not accordingly prepared to propose any reduction in the amount now sanctioned for establishment, viz., Rupees 500 per mensem.

4. The estimate, therefore, on account of the ordinary office establishment for 1871-72 will be (at Rupees 500 per mensem) Rupees 6,000, to which must be added for contingent charges (at Rupees 50 per mensem) Rupees 600; in all Rupees 6,600.

5. In their orders noted in the margin, Government have recently sanctioned Rupees 11,000 for a temporary establishment for completing the fair copy of registers despatched in original to districts. This will be a charge upon the Budget of 1871-72.

6. If the registers of the Village Service Inams, enfranchised in the districts already named in paragraph 3, are also to be fair copied, provision must be made on this account also. This subject was mooted in paragraph 5 of Mr. Robinson's letter to Government, dated 20th October 1870, No. 37, but Government passed no orders thereon. Probably, Rupees 5,000 will be required for this purpose.

7. The aggregate sum to be provided in the Budget of 1871-72 will thus be Rupees 22,600.

8. It is impossible to submit a detailed statement of an establishment, the strength of which will depend upon work which cannot now be calculated with any precision; and I therefore request that sanction be granted in the lump, the necessary establishment being entertained and dispensed with from time to time according to the actual requirements of the work.
