No. 177. Read the following Endorsement of the Secretary to Government in the Military Department, dated 22nd January 1870:—

Read the following letter from the Controller of Military Accounts, to the Secretary to Government, Military Department, Fort Saint George, dated 19th January 1870, No. F.

Instructions having been called for from this Office regarding the mode of recovering Income-tax from Chelsea Pensioners in Civil employ, I have the honour to request you will obtain the orders of Government on this point.

2. If Chelsea Pensioners received their stipends monthly, no difficulty would exist in making recoveries from their aggregate monthly receipts; but the Chelsea Pension is paid *quarterly in advance* which appears to render a special order necessary in view to admit of a rateable portion being recovered each quarter from the pension, and each month from the civil salary.

Referred to the Revenue Department.

(Signed) A. T. WILDE, Colonel,
Secretary to Government.

No. 178. Order thereon, 18th February 1870, No. 238.

Miscellaneous.

The Government deem it desirable to make a reference to the Government of India on the subject of the foregoing letter, in order that a uniform mode of recovering the tax from Chelsea Pensioners in Civil employ may be followed in all the Presidencies. But the tax must, in the meanwhile, be deducted from the aggregate of the monthly incomes of the Pensioners in the Military and Civil Departments when payments are made, and the Accountant-General will be requested to report on the course that can be most conveniently followed.
