*Proceedings of the Madras Government, Revenue Department,
23rd February 1870.*

No. 254. Read the following Proceedings of the Board of Revenue, dated 27th January 1870, No. 607 :—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated on circuit at Sarpadi, 8th December 1869, No. 1,562.

I HAVE the honour to submit for the Board's sanction an estimate, amounting to Rupees 500, for widening and extending the Nundigudde* road, together with a Statement of compensation due for private lands required for the same; and to request that the amount of the estimate may be placed at the disposal of the Public Works Department, to which the work is proposed to be entrusted for execution.

2. The extension alluded to in paragraph 5 of my letter, dated 19th May 1868, No. 467, might have been executed from the unexpended balance of Rupees 153 out of the original estimate of Rupees 850, but it was not done, and the road remains unconnected with the main road.

3. The first estimate also did not provide for the widening of a dangerously narrow and high embankment running through paddy-fields, or for the construction of side walls, where we have broken fences and gone through private property. Without the additions proposed in the present estimate the road is incomplete.

5. The amount of the present estimate has not been provided in the Budget. It can, however, be conveniently met partly from a sum of Rupees 153, remaining unexpended out of the provision in the List of Unfinished Works for the completion of the road under the sanctioned estimate, and partly from savings in the marginally noted allotments.

6. The amount of compensation payable for private land required to be taken up for the road will be met from the balance of Rupees 53 available out of the above savings.

*Proceedings of the Madras Government, Revenue Department,
23rd February 1870.*

2. The Acting Collector proposes to transfer the sum of Rupees 525 from the under-mentioned sources :—

Saving in the allotment of Rupees 180 in favour of the Revenue Department for Item No. 3 in the current year's Supplemental Road Fund Budget, sanctioned in Government Order, Revenue Department, dated 14th December 1869, No. 3,177.....	153
Do. in do. in the current year's sanctioned original Budget for two repair-works.....	400
	553

3. The Board request that the sanction of Government may be accorded to the proposed transfer, as it involves the transfer of funds chiefly from repair-works to a new work.

4. On the receipt of the orders of Government, the Board will place the requisite amount at the disposal of the Public Works Department.
