*Proceedings of the Madras Government, Revenue Department,
24th February 1870.*

No. 273. Read the following Proceedings of the Board of Revenue, dated 12th January 1870, No. 241 :—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Subramany, 13th October 1869, No. 1,322.

I HAVE the honour to submit herewith for sanction two estimates for the marginally noted District Road Fund works, duly countersigned by the Superintending Engineer.

1 Estimate, No. 5, for constructing a road from Kumbla to Perdal.

2 Estimate, No. 3, for re-constructing the Karnad bridge on the coast road from Mangalore to Mulki.

2. The first of these estimates provides for constructing 10½ miles of a 12-feet wide road from the port of Kumbla, which is now inaccessible to carts from the interior to Perdal, a village on the Military road from Panemangalore to Hosdurg. The outlay is estimated at Rupees 8,500, of which Rupees 1,825 have already been expended on tracing and opening the road to bridle-path during the last two years, and a further sum of Rupees 2,500 is entered in the Budget* of 1870-71.

* Local Funds.

3. The second estimate is for the re-construction of a masonry bridge which lately gave way on the coast road from Mangalore to Mulki. Its amount, Rupees 975, has also been provided for in the next year's Budget.

ENCLOSURES Nos. 1 and 2.—Estimates.

With the foregoing letter the Acting Collector submits for sanction estimates for the under-mentioned works :—

	RS.
Constructing a road from Kumbla to Perdal...	8,500
Re-constructing the Karnad bridge on the coast road from Mangalore to Mulki...	975

2. These works appear as Items Nos. 130 and 132 in the Road Fund Budget for 1870-71.

3. The Board sanction the estimate for the second work, and resolve to submit to Government the estimate of the first work, with reference to paragraph 4 of the Board's Proceedings, dated 23rd November 1869, No. 8,365. It will be observed that the amount of the estimate is Rupees 8,500, from which is to be deducted the sum of Rupees 1,826, the expenditure incurred in 1867-68 and 1868-69, in opening the road to bridle-path under an estimate of Rupees 2,000,* and that the amount required for the completion of the work is Rupees 6,674.

Vide Government Order, Revenue Department, dated 26th November 1869, No. 3,056.

4. Deducting therefore Rupees 2,000 from Rupees 8,500, the balance of the estimate requiring the sanction of Government is Rupees 6,500.
