*Proceedings of the Madras Government, Revenue Department,
1st March 1870.*

No. 1. Read the following Proceedings of the Board of Revenue, dated 18th January 1870, No. 338:—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Charnadi, 6th November 1869, No. 1,439.

I HAVE the honour to inform the Board that the Treasury here was transferred to the Bank of Madras on the 12th ultimo, as directed by the Accountant-General in his letter, dated 24th September last, No. 4,037; his order being based upon Government Order, dated the 17th idem, No. 422.

2. By this transfer the work of the Treasury Establishment will be considerably reduced, though much will still remain to be done.

3. I find that the re-modelling of the Treasury Establishment has been already considered and disposed of in regard to other Treasuries, where similar transfers to the Bank have been previously carried out. It would seem superfluous therefore to enter in detail into the remaining requirements of the office.

1 Treasurer	Rs. 70
1 Accountant	25
1 Do.	20
2 Gollars, at 8 rupees each	16
	131
Present Establishment	307
	176
Saving	176
Per Annum	2,112

4. The establishment assigned to Treasuries similarly situated as mine is Rupees 131 per mensem, and if the same is allowed to my Treasury, there will be a saving of Rupees 176 a-month, or Rupees 2,112 a-year.

5. It is for the Board to consider whether the Treasurer* should continue to draw Rupees 125 as Cash-keeper, or be reduced to Rupees 70 if he does not like to avail himself of the half-pension to which he is already entitled.

* Board's Proceedings, 1st July 1869, No. 4,715, and 10th September 1869, No. 6,818.

6. I have hesitated whether to wait the Board's orders, or in view of the present financial pressure to make the reduction myself, and though I have taken the latter course, I trust I shall not be considered to have exceeded my powers, for it will still be open to the Board to pay in arrears, while it would not be practicable to reduce in arrears had I taken the opposite course.

7. The cases of servants who will be thrown out of employ will be dealt with according to their respective claims either by recommendations for pension, gratuity, or re-employment, as may be found expedient.

In consequence of the transfer of the Hoozoor Treasury at Mangalore to the Branch of the Madras Bank opened there, the Acting Collector has, in anticipation of sanction, reduced his Treasury Establishment to the strength allowed in districts where a similar transfer has already taken place.

2. The effect of the reduction is a saving of Rupees 2,112 per annum.

*Proceedings of the Madras Government, Revenue Department,
1st March 1870.*

3. The Treasurer, who was recently under suspension for six months, is a superannuated servant of thirty-eight years standing, and ought, in the Board's opinion, to be made to retire on the pension to which he is entitled. The other servants thrown out will be dealt with as proposed by Mr. Thomas.

4. The Board, however, think that the full pay of his office should be allowed to the Treasurer up to date of his retirement.

5. The Board accordingly request the sanction of Government for the reduction of establishment retrospectively from the 12th October 1869, the date on which the transfer of the Treasury took place.

No. 2. ORDER THEREON, 1st March 1870, No. 301.

Miscellaneous.
