Proceedings of the Madras Government, Public Works Department,
16th December 1870.

No. 353. Read the following Endorsement of the Military Department, dated Fort Saint George, 5th December 1870:—

From the Commissary General, to the Secretary to Government, Military Department, dated Madras, 1st December 1870, No. 5,962.

I HAVE the honour to submit the accompanying letter No. 1,160, dated 19th November 1870, from the Executive Commissariat Officer, Masulipatam, relative to the repairs required to be executed to the buildings used by this Department in the fort at that station as store godowns.

2. Captain Rowlandson applied to the Superintending Engineer, 2nd Division, for the execution of the requisite repairs, but from the enclosed memorandum No. 102, dated 19th July 1870, from Colonel Moberly, it will be seen that an estimate for Rupees 118 for asphalting the floor is required to be submitted to Government, through the Military Department, for sanction and for allotment of funds.

3. The estimate for repairing a portion of the terraced roof amounts to Rupees 140, *vide* copy of memorandum No. 1,153, dated 7th November 1870, herewith forwarded, but it will be observed that "no funds are available under the head of "Military Buildings, Repairs."

4. Funds to meet the above expenses can be made available from the Budget grant of this Department for the current year, and as the repairs are much required, I request the authority of Government for the same.

Sir,

I have the honor to enclose two documents as per margin for necessary repairs to the Buildings used by this department in the fort as Store Godowns.

2 The floors are at present infested with white Ants, and the Ceiling (as reported in my letter No 1046 dated 25th October 1870) leaks so much that Government has already sustained loss And there is danger in the storage of bales of Army Clothing in the interval between the arrival of the bales and their despatch to Secunderabad.
