Dated 16-12- 1890.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, 16th December 1870.

No. 355. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Calicut, 30th November 1870, No. 191:—

WITH reference to letter No. 199, dated 27th February 1869, from the Superintending Engineer of this Division, printed with G. O., No. 755, dated 9th March 1869, both the Range Officer and the Calicut Pier Contractor, after making a careful examination of the Beypore Pier, were unanimous in considering its timbers as unfit to be used in the construction of the Calicut Pier. The Range Officer further reports that it would cost more to dismantle the Beypore Pier and store the materials than they are worth; under these circumstances, I have the honour to solicit the permission of Government to have the structure as it stands sold by public auction to the highest bidder, and thus save a monthly expenditure of Rupees 14 for watchmen.

No. 356. ORDER THEREON, 16th December 1870, No. 3,057.

CIVIL WORKS, No. 26.

UNDER the circumstances represented in this letter the Government authorize the sale of the Pier at Beypore by public auction.
