To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

PUBLIC WORKS DEPARTMENT.

ACCOUNT, No. 37.

SIR,—I am directed to bring to the notice of the Right Honourable the Governor-General in Council that since the despatch of my letter of the 25th ultimo, No. 2,838, this Government have received from the Secretary of State a Packing Account of materials shipped per *Berar* on the 31st August 1870 for the construction of the Snider Ammunition Factory which it was in contemplation to erect at Madras. The cost of those materials it is believed forms a portion of the charge which the Secretary of State estimates will be incurred in England on Public Works Stores during the current official year, and if, as it is presumed, the Government of India have decided that a Snider Cartridge Factory is not at present to be located at Madras, the amount appears to the Government not to be chargeable to the small and inadequate Public Works grant of this Presidency.

I have the honour to be,
Sir,
Your most obedient servant,

Colonel, R.E.,
Secretary to Government.
