*Proceedings of the Madras Government, Revenue Department,
9th March 1870.*

No. 65. Read the following Proceedings of the Government of India, Financial Department, (Expenditure—Land Revenue,) dated Fort William, 10th February 1870, No. 947 :—

Read the following correspondence :—

Letter from the Government of Fort Saint George, No. 1,298, dated 10th May 1869, requesting sanction to an annual grant of Rupees 60,000, for placing the Parish Officers in the northern talooks of the Malabar District on an efficient footing, and observing that it would be covered by the interest on the accumulation of certain credits to the general revenues in bygone years of the excess of certain income in Malabar over the expenditure chargeable to income.

Endorsement to the Home Department, No. 800, dated 31st May 1869, forwarding the application to that department for consideration.

From the Home Department to the Government of Madras, No. 345, dated 17th June 1869, requesting further information regarding the village establishments.

Letter from the Government of Madras to the Home Department, No. 2,578, dated 15th September 1869, supplying the information, and asking for an additional allowance of Rupees 3,000 a-year for repairing village Cutcheries, or an aggregate grant of Rupees 63,000 a-year.

Memorandum from the Home Department, No. 642, dated 25th October 1869, observing that that department cannot recommend sanction to the present scheme of the Madras Government, or to any scheme based upon the supposed existence of arrears of a fund which never was formed, all receipts from the cess in excess of the expenditure having been credited, as they accrued, to the general revenues.

RESOLUTION.—The Governor-General in Council concurs in the views of the Home Department, and regrets that he cannot admit a claim upon the imperial revenues based on the proceedings of 1801. The charge is not an imperial one, and the Government of Madras should provide for it by a cess or in some other way. The average assessment in Malabar, it is observed, is apparently low, compared with that in other districts.

ORDERED that a copy of this Resolution be sent to the Home Department, and to the Government of Madras.

Asst. Secy. to the Govt. of India.
