*Proceedings of the Madras Government, Revenue Department,
11th March 1870.*

No. 86. Read the following Proceedings of the Board of Revenue, dated 27th January 1870, No. 604 :—

Read the following letter from the Collector of Salem, to the Acting Secretary to the Board of Revenue, dated 20th December 1869, No. 285.

WITH reference to the Board's Proceedings of the 29th ultimo, No. 8,781, I have the honour to send a revised plan, submitted by Athoor Kristnama Naidoo, showing the chuttrum which he now proposes to build under the Government Rules at Talavasel, as the former plan was objected to. It will be seen that the accommodation for castes other than Brahmins and Sudras has been considerably extended. I think that the proposed accommodation for "other castes" is sufficient.

ilding is estimated to cost 5,000 rupees, and is proposed to be built at Talavassel d from Salem to Cuddalore (ten miles to the east of Ahtoor itself.) The road is tented by travellers, and a Chuttrum at the place referred to will be of great use. The nearest endowed Choultry in this district is at Ahtoor.

mama Naidoo also applies for remission of assessment of the land on which he d the Choultry. It forms a part of Podoogal land No. 13. This number measures ssessed at Rupees 3-0-7, of this he wishes to have Acres 0-27-0 assessed at Rupees aining extent being already taken up for the high road and avenues.

to recommend that permission may be given to Krishnama Naidoo to build the r the rules, and that the whole of No. 13 be carried to the Perumboke head. ant of an endowment will remain for consideration after the Chuttrum has been

Enclosure No. 1.—Plan.

ctor should point out to the projector that the accommodation assigned in the plan than those of Sudras and Brahmins, is so inadequate, that it is impossible for the ve the plan or recommend any grant from Government.
