*Proceedings of the Madras Government, Revenue Department,
14th March 1870.*

No. 123. Read the following Proceedings of the Board of Revenue, dated 31st January 1870, No. 663:—

Read the following letter from the Collector of Trichinopoly, to the Acting Secretary to the Board of Revenue, dated 6th December 1869, No. 301.

I have the honour to submit the accompanying Statement, showing the amount of arrears due to certain Cavilgars in this district.

2. Muruga Mikonda and Oondikadran died respectively in 1861 and 1867: the former has left a widow by name Papatti and a son aged eight years, the latter, a son, only seven years old. These heirs have now come forward, applying for payment of the amount of arrears due to the deceased, and state, in explanation of the delay that has taken place in putting forward their claim, that they were, till lately, ignorant of the course they had to pursue for this purpose. I am willing to accept this excuse on the part of these simple and uneducated people, and beg accordingly to recommend that they be paid the amount claimed.

3. The other two individuals mentioned in the Statement, viz., Veeramootoo Makondan and Palanyandi Vilanban, have respectively suffered three and eight years to elapse before applying for their allowances. The reason they assign that they were sick of fever is altogether incredible; under the terms of the Standing

No. 52, dated 14th November 1856.

Order of the Government of India, quoted in the margin, these individuals

should be made to forfeit their allowances; I would not advocate the adoption of this measure on this occasion, but would warn them for the future. As in the case of the individuals adverted to in the Government Order, No. 3,412, dated 24th August 1869, Revenue Department, I recommend that these two Cavilgars be paid the amount of arrears due for the last two Muslis 1277 and 1278.

SUBMITTED for the orders of Government.

3. In the remaining two cases on the list the incumbents are alive, and the arrears claimed are for periods of four and nine years (not three and eight years, as stated in the Collector's letter). The defaulters plead illness from fever, which is evidently incredible. As in like cases disposed of by Government, in their Order of 24th August 1869, No. 2,412, the disbursement of the arrears of pension due for the last two Fusties only is recommended.

4. The Board concur in the propriety of the Collector's proposals, and accordingly recommend them for sanction. The absolute forfeiture of the allowances which the parties have incurred by their neglect would, the Board apprehend, be too severe a punishment.

ORDER THEREON, 14th March 1870, No. 359.

Miscellaneous

The proposals of the Collector are sanctioned, as recommended by the Board.
