*Proceedings of the Madras Government, Revenue Department,
18th March 1870.*

No. 147. Read the following Endorsement of the Secretary to Government, Public Works Department, dated 3rd March 1870 :—

Read the following letter from the Consulting Architect to Government, Madras, to the Secretary to Government, Public Works Department, dated 28th February 1870, No. 416.

With reference to G. O., No. 3,649, dated the 13th November, I have the honour to submit a revised design for the Deputy Collector's Catcherry at Arconum.

2. I inspected the site (see paragraph 3 of my letter, No. 361, dated 14th October 1869), and found contrary to my expectations that no commencement whatever had been made.

3. If the design which I now submit meets with approval, I will make out the necessary detailed drawings and estimate. The probable cost of the revised design will be Rupees 5,000.

4. The accommodation is superior to that provided in the original plan, but the style of building exceedingly simple and easy of construction. I am of opinion that the Government agents at Arconum could not carry out successfully the original plan. I make this remark as I took the opportunity, when on the spot, of inspecting the buildings under course of construction for the Subsidiary Jail, and I find they differ in many points very materially from the standard drawings. If these drawings were placed in the Contractor's hands (and I am informed that they were), I think the Contractor should be called upon to alter the buildings in conformity with them before the sums due to him are liquidated.

TRANSFERRED to the Revenue Department, with reference to the Order in that department, No. 2,919, of the 4th November 1869.

2. The subject of paragraph 4 will be dealt with in this department.

Secretary to Government, P.W.D.
