*Proceedings of the Madras Government, Revenue Department,
29th March 1870.*

No. 209. Read the following Proceedings of the Board of Revenue, dated 2nd February 1870, No. 748 :—

Read the following letter from the Director of Revenue Settlement, to the Acting Secretary to the Board of Revenue, dated 17th December 1869, No. 1,773-43.

IN annexing copies of the two letters marginally noted, received from the Deputy-Director of Revenue Settlement, Nellore, I have the honour, with reference to paragraph 2 of Government

7th October 1869, No. 335.
8th December „ „ 434.

Order, dated 9th February 1864, No. 244, to request that sanction may be obtained for the transfer of 8.08 Acres of land from the village of Nidamalur in the Ongole Talook to that of Uppalapad in the Kandukur Talook. The occupation of the land will not be affected. It will be observed that the propriety of the transfer is concurred in by the Collector.

ENCLOSURE No. 1.

From the Officiating Deputy-Director of Revenue Settlement, Nellore, to the Director of Revenue Settlement, Madras, dated 7th October 1869, No. 335-139.

THE Musi River forms the boundary for the greater portion of the line between the Ongole and Kandukur Talooks, and, in conformity with the usage of the department, the river itself was, at the time of demarcation, included in the village of Kandukur, lying to the south thereof, the talook boundary line being marked along the northern bank of the river.

2. It now appears that 8.08 Acres of land appertaining to, and occupied under, Nidamalur of the Ongole Talook, is situated in the bed of the river. It adjoins the talook boundary line as fixed, and was omitted altogether from demarcation. As surveyed, this extent now forms part of the Uppalapad village of the Kandukur Talook.

3. The Survey operations having been closed, it is undesirable to re-open operations and rectify the error at this late date, as it is of slight extent and little importance. I request therefore that I may be informed whether any objection exists to my proposing the transfer of the area referred to from the Nidamalur village of Ongole to the Uppalapad village of Kandukur, in order that the occupation, by the present Revenue Accounts, may correspond with the Survey.

4. The land though then occupied was apparently waste at the time of the demarcation, and thus escaped attention at that time, and the villagers and occupants equally failed to bring the matter to notice.

5. Should you approve of the above course, I will obtain and submit the opinion of the Sub-Collector and Collector in respect to the proposed change.

ENCLOSURE No. 2.

From the Deputy-Director of Revenue Settlement, Nellore, to the Director of Revenue Settlement, Madras, dated 8th December 1869, No. 434-179.

IN reply to your Proceedings of the 13th October last, No. 1,434-179, I have the honour to inform you that the Acting Collector, in his docket of the 6th instant, states that the Acting Sub-Collector raises no objection to the proposed transfer of the piece of land from Nidamalur to Uppalapad, and that he concurs with the Acting Sub-Collector.

SUBMITTED to Government, with the recommendation that the proposed transfer be sanctioned.
