FORT SAINT GEORGE,

(Signed) H. E. STOKES,
Under-Secretary,

REFERRED to the Board of Revenue for their observations.

FORT SAINT GEORGE,
18th January 1870.

(Signed) H. WELLESLEY,
Acting Under-Secretary to Government.

ENCLOSURE No. 1.—Plan.

The Board are of opinion that the land indicated in the plan, which is apparently a portion of the site of the old fort ramparts and glacis, should be made over to the Municipal Commissioners for the purpose of a Market.

2. They would not advocate the recovery of the money laid out on the land, as it does not appear to have been expended with a view of fitting the land for any special purpose, nor is it likely that the appropriation of this land by the Municipality will put the Government to any expense.

3. It is desirable that such funds as are available should be devoted to the erection of a building, ornamental as well as useful and remunerative.

No. 15. ORDER THEREON, 2nd April 1870, No. 432.

Miscellaneous.

BEFORE sanctioning the proposed transfer of land to the Municipality, the Government desire to be informed of

the nature and object of the "improvements" on which an expenditure of Rupees 930 has been incurred.
