1870, Nos. 412-13-F. and 456-F., I am directed to transmit the accompanying letter from the Conservator of Forests, dated 17th September 1870, No. 2,333, furnishing explanation on the several points noted in paragraph 7 of the Proceedings of 4th August above quoted, in connection with the establishments for the Salem and South Arcot Forests and the fuel plantations in Cuddapah and Bellary, sanctioned by this Government in May 1869, at an additional cost of Rupees 293 per mensem.

Under the circumstances as explained by the Conservator, and with reference to my letter, dated 16th December 1870, No. 2,045, which contains the views of this Government as to the necessity for consolidated travelling allowances to forest subordinates, I am directed to request that the above-mentioned increase of Rupees 293 per mensem, which was allowed in the Proceedings under reply to the end of the current year, may now be sanctioned as a permanent charge.
