*Proceedings of the Madras Government, Revenue Department,
11th May 1870.*

No. 142. Read the following Proceedings of the Board of Revenue, dated 22nd April 1870, No. 2,570:—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 21st March 1870, No. 354.

I HAVE the honour to request the sanction of the Board of Revenue for the following transfers in connection with the Talook Tappal Establishment of this district.

2. The revised scale* of establishment allotted to the Kundapur Talook includes two Runners on Rupees 6 each per mensem on the line from Kundapur to Haunar Mogany which forms a por-

tion of this district, but is detached from it, being situated in the Mysore Territory above the ghauts. The services of these men were, it appears, retained chiefly for the purpose of conveying official communications between the Cusbah, the Salt Kotahs, and the remote villages of the Mogany in question.

3. The amount of this correspondence is so trifling and so occasional that it can be carried by the ordinary Talook or Village Peons without the necessity for a separate establishment. The two Runners on the line can therefore be dispensed with.

4. In the Udipi Talook a Delivery Peon is required for the District Post Office at Karkal on account of the increased correspondence carried on through that office, and a similar Peon is also found necessary at Beltangadi (another Postal station in the Uppinangadi Talook) for the same reasons. I beg therefore to request the sanction of the Board of Revenue for doing away with the Haunar Postal line, and for transferring the two Runners employed on that line to Karkal and Beltangadi, respectively, changing their designations from "Runners" into "Delivery Peons."

SUBMITTED for the sanction of Government.
