Proceedings of the Madras Government, Revenue Department, 13th May 1870.

No. 162. Read the following despatch from the Right Honourable the Secretary of State for India, (Sanitary,) to His Excellency the Right Honourable the Governor in Council, Fort Saint George, dated India Office, London, 3rd March 1870, No. 2 :—

THE despatch of your Excellency in Council, dated 8th of June, No. 31 of 1869, transmitting the report of the Board of Revenue on the sanitary condition of the districts of the Madras Presidency during the years 1867-68, has been considered by me in Council.

2. I am glad to hear that you are considering proposals for training up a class of Native Medical Practitioners for the purpose of affording to the general population greater facilities of obtaining medical treatment on the European system.

3. I desire to be furnished with the report of the Superintendent-General of Vaccination on the circumstances alluded to in the 4th paragraph of the Board's report, which appear to me to be very unsatisfactory.

4. I rely with confidence on the Board's endeavours to obtain, at an earlier date than hitherto, more accurate returns as to the state of health in the districts.

No. 163. ORDER THEREON, 13th May 1870, No. 701.

Miscellaneous.

COMMUNICATED to the Board of Revenue and to the Public Department, with reference to G. O., 20th May 1869, No. 1,419.
