No. 2 on the Statement of Class III. or State Pensions, and No. 4 in Class IV. of list of money-allottees submitted to the Board on the 26th April 1869.	Ungamma of Mudbidry, aged 42 years.	RS. A. P. 793 13 0	Government Order, 12th September 1867, No. 2,164, communicated with Board's Proceedings of the 2nd October 1867, and Government Order, 14th Nov. 1867, No. 2,695.	Allowance for the maintenance of the family of the Poligar.	YES. M. D. 2 2 0	RS. A. P. 1,719 13 8	The pension fell into arrears in consequence of the pensioner not having claimed it for the last two years, namely, from January 1868 to December 1869. In January 1870 the pensioner preferred a claim before the Tahsildar of Mangalore, and two months have since elapsed in investigating the real cause of suspension of payment and the identification of the pensioner, inasmuch as the original report from the Tahsildar did not contain full information. On inquiry it was found that pensioner's own prolonged illness, and the loss of her husband in the interim, precluded her from claiming the pension monthly as it fell due. As the delay under the above circumstances would, in some measure, appear to have been unavoidable, and the identity of the pensioner has been satisfactorily proved, the Acting Collector recommends that the grant may be continued, and the arrears accrued be disbursed to the pensioner.		

SUBMITTED for the orders of Government, with the Board's recommendation that payment of the arrears be sanctioned.
