*Proceedings of the Madras Government, Revenue Department,
17th May 1870.*

No. 222. Read the following Proceedings of the Board of Revenue, dated 7th May 1870, No. 3,034:—

Read the following letter from the Acting Collector of Madras, to the Acting Secretary to the Board of Revenue, dated on circuit at Oosoor, 11th April 1870, No. 115.

I HAVE the honour to forward, for the favourable consideration and orders of the Board, the accompanying letter from the Deputy-Collector of Madras, requesting sanction for the continuance of the Income-tax establishment, sanctioned in the Government Order, No. 1,184, of the 30th April 1869.

2. This establishment was discontinued on the 1st instant.

ENCLOSURE No. 1.

From the Collector of Income-tax, to the Acting Collector of Madras, dated 7th April 1870, No. 95.

WITH reference to the Proceedings of Government, dated the 14th August 1869, No. 2,341, sanctioning the continuance of the temporary establishment entertained under Government Order of 30th April 1869, No. 1,184, to the end of the financial year 1869-70, I have the honour to report that it was discontinued on the 1st instant.

2. I beg, however, to bring to your notice that owing to its abolition, it would be impossible to collect the arrears of Income-tax to the amount of Rupees 11,196-12-0, as the parties on this establishment alone know from whom the amount is due. Having served the notices on the people, they and they alone can prove the service of notices in the Magisterial Courts before whom the majority of these people will have to be prosecuted under Sections 24 and 25 of the Income-tax Acts. To collect this outstanding arrears, it would take at least four months. To retain this establishment for this period, it would cost 386 Rupees, and secure about 11,000 Rupees of revenue to Government. I therefore think it advisable to apply for further sanction for a period of four months (from May to September,) to retain this establishment. If you be of the same opinion, I beg that early orders of Government may be solicited on the subject. A list of arrears accompanies.

ENCLOSURE No. 2.—Statement.

SUBMITTED for the orders of Government.

2. The Deputy-Collector in charge of the Madras Income-tax Office states that a balance of Rupees 11,197 is still uncollected, and that the services of the temporary establishment, which was disbanded on the 31st ultimo, in accordance with Government Order, 14th August 1869, No. 2,341, are essential for its recovery. He estimates that the work will take four months.

3. The Board resolve to recommend that the establishment be re-entertained for a period of *three* months only. It is not creditable to the office that so large a balance was outstanding at the end of the official year, and the Deputy-Collector must exert himself to get it speedily realized.

No. 223.

ORDER THEREON, 17th May 1870, No. 730.

Miscellaneous.

UNDER the circumstances represented the Government have no option but to continue the temporary establishment for three months as proposed by the Board. It is to be regretted that the late Collector of Income-tax should have entrusted duties to this temporary establishment, which were likely to entail their retention after the close of the past official year.

2. The Deputy-Collector should be directed to take such measures as will enable other officers on his permanent establishment to undertake any portion of the duties of these temporary servants which may remain incomplete when the three months expire.
